21st July 2017

Dear Parent/Carer,

Firstly, I would like to thank parents for all their support for the School over the past year. The vast majority of parents and students are highly supportive of our efforts to maintain the highest standards in the interests of the whole school community.

As we break up for the Summer holiday, I am conscious that many of you will be purchasing new uniform items. I would like to reiterate our expectations that all students are in full correct uniform at all times. Our policy for uniform, including shoes and trousers is clearly laid out with examples on our website and in the student learning diary.

To be fair and consistent with all students, we only make exceptions for proven medical or emergency reasons. If students do not come to school with full correct uniform, they should expect to work in a room away from other students.

In particular, please can I draw your attention to, and request your support with, the following:-

- Only school (leather type) plain black shoes are allowed (boots, trainers, canvas shoes, plimsolls and sandals are not allowed. There should be no stripes, pictures, logos and no trainer type shoes, even if these are plain black).
- All students must wear a tie. This must not be drawn on, vandalised or adapted in any way. If students lose a tie or vandalise it, we may lend them one for the day, but they must purchase a new one from the School office.
- Trousers must be tailored and not skin tight – leggings are not allowed.
- Socks should be plain black or grey.

At Lealands we aspire to be the best and this starts with how we look. It is important that staff time is not unnecessarily wasted on uniform issues. If you are having difficulties with supplying or maintaining correct uniform, please contact your child's Pastoral Support Manager who will be happy to assist.

Thank you for your support in this matter and I look forward to the start of a new and exciting school year in September.

Yours sincerely,

Mr J Burridge
