

20th April 2026

Dear Parent/Carer

I am writing to inform you about the exciting opportunities your child will be able to undertake during our annual Experience Day Thursday 9th July 2026. We are currently planning each of the experiences and trying to ensure that we secure the best possible value for money so that all students can attend an experience on this day. All of the extremely popular experiences from last year are being offered again with the addition of a new and exciting experience for this year.

**The costs provided in this letter are approximations as we continue to try and secure the very best travel and ticket costs we can. We are also awaiting confirmation from an organisation who support school trips and whether our application will be accepted to secure funding towards the costs.**

Students not taking up one of the experiences will be expected to attend school as usual.
