

3rd April 2025

End of Year 11 arrangements 2025

Dear Parent/Carer,

This week students will have an assembly outlining the last months in school.

All students are now fully aware that they have just 3 normal weeks before their GCSEs begin.

It is absolutely essential that students spend their time wisely and continue with all of these good habits:

- Attend school and all lessons promptly
- Complete Extended Learning to the best of their ability
- Attend Intervention
- Stick to their revision plan
- Ask for help if they are stuck

In the assembly we will reiterate that the next few months will be both busy and exciting. Students have and will continue to receive their February/ March mock results. The feedback they receive from these will support them in preparing for the Summer exams.

All of the slides from the assembly are here <https://www.lealands.luton.sch.uk/year-11>

All students have received their Statement of Entries which tells them exactly which exam they have when. We need you and students to check this carefully: please check that names are spelt correctly and that the correct tier (Foundation or Higher e.g. Maths) for each exam is shown.

The full list of exams for all courses can be found here: <https://www.lealands.luton.sch.uk/exams>

We explained that from now until the May half-term it is *business as usual*. Students attend their normal lessons unless they have a GCSE exam or a *Masterclass* immediately before that exam.

The last exam before the half-term break is English Language 1 on Friday 23rd May. This exam will finish around 11:00am. Students are then welcome to go home and enjoy a well deserved early start to their half-term break, if they wish. Equally, if students wish to stay for their normal timetabled lessons that day they are most welcome to continue with these until the end of the normal school day (3:20pm). Students staying will need to remain for the full day unless signed out for safeguarding purposes

After the May half-term, students will only be required for their exams and their *Masterclasses* to support them in exams. *Masterclasses* are lessons just before exams to support students with last minute hints and tips and to reassure and support students ahead of exams. The timetable for this will be finalised and shared in April.

Most students will not be required to attend school on Monday 2nd June; only those who have exams in Italian, Urdu or Japanese will need to attend.

On Tuesday 3rd June, all students should attend the first Masterclass, which will be for Mathematics Paper 2 ahead of their exam the following morning. Students should arrive at school after 11:00am but before 11:25am. The Masterclass will take place 11:27am-1:00pm.

On Wednesday 4th June all students have their Mathematics Paper 2 exam. As always, students should arrive before 8:55am, however, they are actively encouraged to attend early from 8:00am where Miss Jones hosts students, every morning, studying in the Community Classroom.

After the GCSEs have concluded for all students, we look forward to welcoming them back on the afternoon of Thursday 19th June for Leavers' Assembly and Shirt Signing. It is a brilliant occasion and we look forward to seeing all of our wonderful students as they bid farewell to Lealands High School. Students know they must attend in full correct uniform for this assembly and for all masterclasses and examinations saving the shirt signing until after this assembly on 19th June.

Two weeks later, on Thursday 3rd July, we will see them once again for the Prom at the Luton Hoo Walled Garden! Tickets continue to be available via Scopay.

We understand that there are many key dates at this stage of Year 11 so I have tabulated them on the next page.

If you have any queries or concerns, please contact me.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Mr Mason', written in a cursive style.

Assistant Headteacher
