

28th April 2021

Dear Parent/Guardian,

I am writing to inform you that students in Year 11 will receive a presentation about National Citizen Service on 28th April 2021. It is an amazing opportunity and we are encouraging all students to take part. NCS is a great way for students to develop their life skills and will help them stand out when applying for university, apprenticeships or a job. This is particularly important as they move on from the effects of the Covid19 pandemic.

What is NCS?

This summer there are 2 options available:

Option 1

Week 1- This is residential and students will stay away from home at an outdoor activity centre (Monday to Friday.) It's their chance to meet new people and do amazing activities like rock climbing, canoeing, and abseiling.

Week 2- A personal and professional development week based at home which sets them up for their future (Monday to Friday). They will then plan, design and pitch their social action project.

Week 3 During this week they will deliver their social action project (Monday to Thursday) to raise awareness or money for something they are passionate about.

Option 2

If they don't fancy going away, then choose a 2-week option, where they'll have an amazing experience locally with no residential involved.

Week 1- A personal and professional development week based at home which sets them up for their future (Monday to Friday). There will also be fun activities like escape rooms and taskmaster. They will then plan design and pitch their social action project.

Week 2- During this week they will deliver their social action project (Monday to Thursday) to raise awareness or money for something they are passionate about.

When is NCS?

NCS takes place in the summer holidays. There are a number of different start dates available ranging from mid-July to mid-August. All dates and options are available on the website www.wearencs.com.

Why do NCS?

- Over 500,000 people have already done NCS
- NCS looks good on UCAS statements and develops skills employers want
- NCS gives young people a chance to meet new people and build confidence
- NCS helps young people be heard in their local community
- NCS is fun and a great way to spend the summer

How much will it cost?

NCS costs £1,500 per place, most of which is covered by the government. As such, **NCS will only cost you £50**. That covers everything; food, activities and accommodation while young people are away. Financial assistance bursaries are available.
