14th December 2020

Dear Parent/Carer,

The letter that you received regarding the Year 11 Bubble self-isolation stated that students had to self-isolate and not mix with others outside of their household for 14 days from the last potential contact with the positive case. This was the position and guidance given by the DFE on Saturday, despite the media reporting the self-isolation period was being reduced to 10 days. At the time of this consultation, the DFE would not allow me to communicate the reduced isolation period.

It has now been confirmed by the Government and a further consultation with Public Health that the isolation period has reduced from today and this can apply retrospectively.

Therefore, your child should continue to self-isolate until and including the 19th December. They may cease their self-isolation period on Sunday 20th December and follow the rules in place locally and nationally at that time.

Students who were not in school on Wednesday 9th and Thursday 10th December do not need to self-isolate. There are 7 students to whom this applies and they will have received a separate letter to confirm that they can still attend school.

Whilst this has been a frustration, I am pleased that your child will no longer have to isolate right up until Christmas day and I hope this allows you to better enjoy your Christmas arrangements.

Yours sincerely,

Mr J Burridge
