

3rd February 2023

Dear Parent/Carer

I am writing to inform you about the exciting opportunities your child will be able to undertake during our annual Experience Day. We are currently planning each of the opportunities and trying to ensure that we secure the best possible experiences and value for money so that all students can attend a trip on this day.

In order to support families with planning for costs and arrangements, I am writing to give this information earlier than usual

This years' Experience Day will take place on Thursday 13th July 2023 and we would like all students to experience a new opportunity in line with our Lealands Journey vision. There will be a range of activities to suit all students and budgets. The following are an example of what will be offered:

In the meantime, if you have any questions, please do not hesitate to contact me.
