23<sup>rd</sup> February 2021

Good afternoon,

I hope this finds you and your families as safe and well as possible in these challenging times and circumstances. I hope you have been able to have an enjoyable half term break also and profit from some of the 'warmer' weather!

As I am sure you are already aware, Assessment Week is well underway for all students and we have seen a strong engagement from the majority of students in year 10 already; thank you for your efforts in getting your son/daughter engaged in these assessments; I am sure that you will agree that this is an important time for all.

Whilst the final details of back to school arrangements are still being fine-tuned, it is imperative that we do not relax our efforts with Remote Learning, especially as we are in the midst of Assessment Week and as time is critical for all of our year 10 students.

I would like to ask for your support to continue to help your son/daughter along the journey to strive for excellence and success, by encouraging and supporting them as much as you can to attend all of their online lessons on time. We want to ensure the best outcomes possible for all of our year 10 students.

As always, we are here to support you and your son/daughter. If there is ever an issue that we can help with, please do not hesitate to contact me/us through the normal channels.

Thank you, once again, for your continued support. My best wishes go to all of our students for their assessments.

Take care,

Mr C P Taplin
