Ski Trip 2027 - Spiazzi, Italy

Dear Parent/ Carer,

We are hoping to offer Years 7-10 pupils the exciting opportunity of a skiing residential from 17th – 22nd January 2027, which will take place in the Italian resort of Spiazzi.

This trip is an excellent opportunity for students to learn to ski and develop their team-working, leadership, and communication skills, as well as boost their confidence as they navigate through this exhilarating adventure. For those who have previously been on a ski trip, there will be plenty of opportunities to improve their skiing ability.

The cost of the trip is £905 per pupil and covers:

- 16 hours of ski instruction (4 hours per day) from qualified and experienced instructors
- Full board accommodation
- Flights and international transfers
- Evening entertainment programme including ice skating and a trip on a snowcat.
- Local ski hire, including skis, ski boots and helmets.

UK airport transfers are not included in this cost and a small additional charge will be included; this will depend on which UK airport the trip departs from. We will endeavour to give you as much notice as possible for this charge.

Students will require a valid passport with an expiry date of June 2027 or later. All students will also need an in-date Global Health Insurance Card (GHIC). A GHIC lets UK travellers access state-run healthcare in EU countries and Switzerland, often for free or at the same price locals pay. It is free to apply for a GHIC and you should only apply through the NHS website. Please follow the link provided to apply for a GHIC.
