3rd February 2026

Dear Parents and Carers,

I am writing to follow up on our previous communication regarding the Year 9 Parents' Evening taking place in school on **Thursday 12th February**.

We would like to inform you that, on the same evening, we will also be holding a **Year 9 GCSE Options Presentation** to support students and families as they begin to consider their option choices for Key Stage 4.

The presentation will cover:

- An overview of the GCSE options process
- Key dates and expectations
- Important factors students should consider when making their choices
- How parents and carers can best support their child during this process

To ensure families have flexibility alongside Parents' Evening appointments, the presentation will be delivered at 4:30pm, 5:30pm and 6:30pm. This will allow you to attend a session at a time that best suits your schedule.

We strongly encourage parents and carers of Year 9 students to attend one of these presentations, as the information shared will be vital in helping students make informed and appropriate choices.

The talk will take place in the community classroom and will last for approximately 30 minutes. There is no need to book your slot.

Thank you for your continued support, and we look forward to welcoming you to the school on the 12th February.

Yours sincerely,

Mr P Edwards

Deputy Headteacher – Curriculum
