11th February 2021

Dear Parent/Carer,

I'm very pleased to inform you that Lealands High School offers the Bronze Duke of Edinburgh's Award (DofE) to students in Year 9. I would like to take this opportunity to introduce you to the DofE and the benefits for your son/daughter.

The DofE is a great chance for your child to broaden their horizons, discover new interests and talents, develop essential skills for their future, achieve an internationally recognised qualification and have lots of fun!

If your son/daughter decides to take up the DofE challenge, they will make friends and memories and develop important character traits such as confidence, determination and self-esteem. They will also learn vital skills for work and life, including problem-solving, team-working and resilience.

On completion they will achieve an Award that can help them stand out when applying for university, college or employment.

Over the coming days Mr. Purdy, DofE Manager at Lealands, will be sharing more information about how your son/daughter can get involved, what they will be expected to do and how the DofE has changed the Award to be completed safely during the Covid pandemic.

If you have any questions after receiving the extended DofE information, please do not hesitate to contact myself or Mr. Purdy.

Yours sincerely,

Mr. P. Payne
