10<sup>th</sup> February 2021

Dear Parent/Carers,

**Literacy Week: Week Commencing Monday 1st March 2021**

Literacy Week is a successful tradition here at Lealands High School, and we have adapted this so students (and staff!) can enjoy the activities for the week online. World Book Day (Thursday 4<sup>th</sup> March) is fast approaching and to promote the importance of reading and literacy, Lealands High School will be offering students many different competitions for them to take part in. Throughout the week, different competitions and reading suggestions will be published on their year group's Google classroom for students to enjoy.

For the week to be a success, please can you encourage your child to take part in these activities and to discuss favourite books with a member of staff. We have asked staff to also engage with students with books they are reading, which reflects on this year's Literacy Week theme of 'Everyone Reads'. As staff have also been encouraged to be generous with awarding literacy points for the week, you will be able to monitor your child's engagement through Epraise by seeing their literacy points.

As ever, there will be a multitude of prizes available for those students who show the most commitment and enthusiasm towards the initiative, with awards for readers of all abilities. This includes a raffle for an Amazon Fire tablet for a student in each year group, and also a £5 Amazon voucher for two students in each year group also. For each competition that is entered, their name will be submitted into the raffle, so the more they enter, the more likely they will win!

Please see below posters for the week, and should you have any questions please do not hesitate to contact us.

We thank you for your continued support with the programme.

Yours faithfully,

**Ms Rezaei**
