Dear Parent/Carer

As you should be aware, as communicated to you in a letter dated 13th December 2021, your child should be starting their Relationship and Sex Education curriculum in the final three weeks of this half term.

However, I have made the decision to delay the teaching of this provision until later in the year.

Relationship and Sex Education is statutory and every student must be given the opportunity to engage in the topics. I therefore feel that the delivery of this important aspect of a child's development should wait until the effect of Covid 19 on school attendance has declined and more students are able to access the provision.

Therefore, we will be delivering Relationship and Sex Education in years 7 to 10 for a three week period starting the week beginning 9th May 2022.

For more information regarding this provision, please see the previous letter dated 13th December 2021.

If you have any queries, please call the school on 01582 611600 or email [admin@lealands.luton.sch.uk](mailto:admin@lealands.luton.sch.uk).

Thank you for your support in this matter.

Yours sincerely,

Mr. P. White
