Dear Parent/Carer

Re: Year 10 Online Parents Evening – Thursday, 29th January 2026 - 4.00-7.00 pm

The Year 10 Parents Evening will take place online on Thursday, 29th January 2026 from 4.00-7.00 pm. You will be able to book **5 minute appointments with each of your child's subject teachers** to discuss their progress, attitude to learning and any queries you may have.

Please find attached, a 'Parents' Guide for Booking Appointments' via the schoolcloud. Appointments can be booked automatically or manually to give you as much flexibility as possible. **In order to make appointments, you will need to visit <https://lealands.parenteveningsystem.co.uk>** or you can follow the link on our school website (purple '+' symbol on the home page). **The system is available for bookings from Thursday, 15th January until 3.00 pm on Thursday, 29th January 2026.**

When you have booked appointments, you will receive an automatic confirmation of appointments by email.

The appointment times are automatically managed by the system on the evening and there will be a 'countdown' as time is running out. The system will end each appointment after the allocated 5 minutes. Should you require more time, please contact the school and an additional phone call can be arranged. Because this is an automated system, there isn't any flexibility in timings so it is important to be logged on in good time and ready for your appointments to start.

You may want to check your child's Epraise account before you attend parents evening as this will give you the most up-to-date information regarding their Steps, Demerits and Extended learning tasks. Details on how to log into Epraise are on our school website under 'Rewards and Achievements'.

If you have difficulties with the online booking system, please send an email requesting support with booking parents evening appointments to admin@lealands.luton.sch.uk giving your name, contact number, and child's name. A member of staff will then contact you to assist with the bookings. If you are having difficulties on the evening, please telephone the school and we will do our best to support you with these. Please do be aware that if there are internet or technical issues beyond our control, this may affect the smooth running of the evening. In this case, we will attempt to reschedule appointments for a future convenient time.

I do hope that you will be able to attend this online parents evening as working together to support your child's education is crucially important and in their best interests.

Yours sincerely

Parents' Guide for Booking Appointments

Browse to <https://lealands.schoolcloud.co.uk/>

The form contains fields for 'First Name', 'Last Name', 'Surname', 'Email', and 'Confirm Email'. There is a 'Log In' button at the bottom.

Step 1: Login

Fill out the details on the page then click the *Log In* button.

A confirmation of your appointments will be sent to the email address you provide.

The form has a title 'Parents' Evening' and a description. It includes a 'Click a date to continue' section with two options: 'Thursday 16th March' and 'Friday 17th March'. There is a 'Go back to school' link at the bottom.

Step 2: Select Parents' Evening

Click on the date you wish to book.

Unable to make all of the dates listed? Click *I'm unable to attend*.

The form has a title 'Choose Booking Mode' and a description. It has two radio buttons: 'Automatic' (selected) and 'Manual'. There is a 'Next' button at the bottom.

Step 3: Select Booking Mode

Choose *Automatic* if you'd like the system to suggest the shortest possible appointment schedule based on the times you're available to attend. To pick the times to book with each teacher, choose *Manual*. Then press *Next*. We recommend choosing the automatic booking mode when browsing on a mobile device.

The form has a title 'Choose Teachers' and a description. It has two checkboxes: 'Mr J Brown' (selected) and 'Mrs A Wheeler' (selected). There is a 'Continue to Book Appointments' button at the bottom.

Step 4: Choose Teachers

If you chose the automatic booking mode, drag the sliders at the top of the screen to indicate the earliest and latest you can attend.

Select the teachers you'd like to book appointments with. A green tick indicates they're selected. To de-select, click on their name.

The form has a title 'Confirm Appointment Times' and a description. It has a table with columns: Teacher, Student, Subject, and Booked. There are two buttons: 'Accept Appointment' (green) and 'Cancel Appointment' (red).

Step 5a (Automatic): Book Appointments

If you chose the automatic booking mode, you'll see provisional appointments which are held for 2 minutes. To keep them, choose *Accept* at the bottom left.

If it wasn't possible to book every selected teacher during the times you are able to attend, you can either adjust the teachers you wish to meet with and try again, or switch to manual booking mode (Step 5b).

The grid shows teachers (Mr J Brown, Mrs A Patel, Mrs A Wheeler) and times (15:00, 15:40, 16:00, 17:00). Green cells indicate available times, and a blue cell with a checkmark indicates a booked appointment.

Step 5b (Manual): Book Appointments

Click any of the green cells to make an appointment. Blue cells signify where you already have an appointment. Grey cells are unavailable.

To change an appointment, delete the original by hovering over the blue box and clicking *Delete*. Then choose an alternate time.

Once you're finished booking all appointments, at the top of the page in the alert box, press *click here* to finish the booking process.

The page shows a list of bookings with columns: Teacher, Student, Subject, and Date. There is a 'Print' button at the bottom.

Step 6: Finished

All your bookings now appear on the *My Bookings* page. An email confirmation has been sent and you can also print appointments by pressing *Print*. Click *Subscribe to Calendar* to add these and any future bookings to your calendar.

To change your appointments, click on *Amend Bookings*.

Video Appointments: Parents

How to attend appointments over video call

In order to make video calls you need to have as a minimum:

- a device with a microphone and speaker/headphones
- a compatible up-to-date web browser:

iPhone/iPad: Safari **Note: there is a known issue joining video calls using iOS 14.2. Please check your device does not run iOS 14.2, or use an alternate device.**

Android: Chrome or Firefox

Windows: Chrome, Firefox or Microsoft Edge

Mac: Safari, Chrome or Firefox

Linux: Chrome or Firefox

We also recommend:

- Using your smartphone for video appointments. If you don't have a smartphone with a front-facing camera, use a laptop or computer with a webcam.
- Using a headset (or earphones with a microphone) to reduce echo.

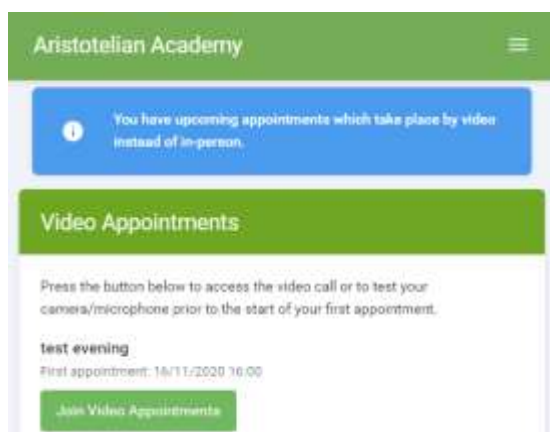

How to attend your appointments via video call

1. Log in and go to the Evening

On the day of the video appointments (or before, if you want to test your camera and microphone) login to Parents Evening at the usual web address for your school, or click the login link from the bottom of the email confirmation you will have received.

Once logged in you will see a notice that you have upcoming video appointments and under this the details of the event, along with a *Join Video Appointments* button.

Press the button to join your appointment on the day - or to test your camera/microphone at any time.

2. Check Audio and Video

When you click *Join Video Appointments* the *Check Audio and Video* screen will be displayed. You may at this point be asked if you wish to allow access to your camera/microphone, in which case please click yes.

From here you can turn on or off your microphone and camera, change which devices are being used for the call, and check your microphone and speakers. Once you are happy, click *Proceed to Video Call*.

3. The Video Call

On this screen you can see the following, when in a call:

At the top left the teacher name (and subject details) for the current and next appointment

At the top right a countdown to the start of the appointment.

At the bottom the controls for the microphone and camera.

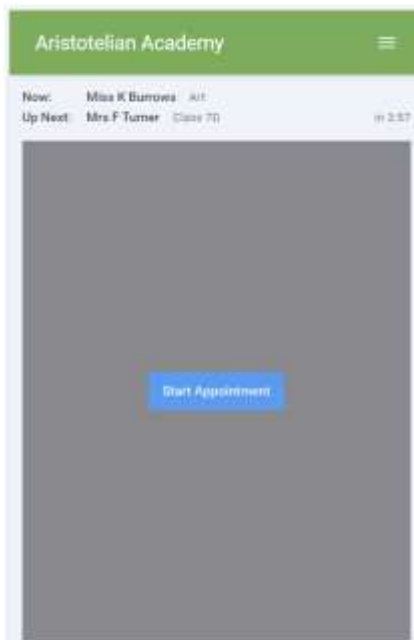

When another person is available these also show a pick up button to start the call

and a hang up button to leave the call.

In the middle, when your appointment is due to start, the *Start Appointment* button.

4. Making a call

Click the *Start Appointment* button. You will see yourself in the bottom right corner of the screen (unless you have no camera, or have chosen to turn it off). If the teacher has not yet joined you will see a notice to that effect in the centre of the screen.

When a teacher joins a call you will see them in the main part of the screen - or hear them, if they have no camera (or have turned it off) - and can start your discussion with them.

You will also see the remaining time for the appointment counting down in a blue bar at the top of the screen, which will turn red when the last 10 seconds begin.

If anyone loses access to the system for some reason during the call, they can log in again and click *Start Appointment* on the video call screen. As long as the other person is still in the call this will let you continue with the appointment.

When the countdown in the blue bar stops the appointment time is over and the call will automatically end.

Note that if you or the teacher are late, or leave and rejoin the call, it does **not** reset the timer.

The appointment will always end at the scheduled time.

5. Follow on calls

If you have a consecutive appointment scheduled the screen will display a *Start Next Appointment* button. When you are ready to proceed, click on it

Note that if you delay starting a call it does **not** extend the duration for that appointment.

The appointment will always end at the scheduled times.

If you do not have a consecutive appointment, but you have not completed your final scheduled appointment you will see a countdown telling you how long until the start of your next appointment.

Once your final appointment for the evening is complete you will see a message advising you of this.
