14th July 2020

Dear parents and carers,

We hope that you and your families are safe and well. We would like to take this opportunity to thank you for all of your support throughout the last 5 years with your child's journey at our school. It has been a pleasure for Ms Goodrum and me to be their year leaders since Year 7. We have amazing and lasting memories together as a year group and some of these have been captured in our Leavers Assembly and the Class of 2020 Yearbook.

We are so sad that the Year 11 students did not finish their secondary education in the traditional way but we look forward to seeing them when it is safe to and when we have more guidance from the government in the future. The school is not the same without the Year 11 there and we miss them! We were pleased to see how well they worked during the first phase of school closure as well as how they have coped through this time and with a sense of maturity.

We would like to thank our Head Girl Saruna Gudza, Head Boy Robbie Howe, Deputy Head Girl Shanice Thompson and Deputy Head Boy Terry Offeh, as well as the Senior Student Leadership Team and the Student Leaders for the work they were involved with throughout the year. We are sorry that their leadership duties came to a halt however we hope that they can use these skills in future endeavours.

Before the end of term on the 17th July, we would like to share the below key information with you.

Leavers Assembly

This will be sent online to your child's school email address as well as the Year 11 googleclassroom at 3.30pm on Thursday 16th July. It would be great if we could all watch it at the same time however we understand that this might not be possible. The video sections of the assembly will only be available for viewing for 24 hours. More details will be sent to students throughout next week.

Student email accounts and the Year 11 googleclassroom

We are awaiting guidance from the government with regards to the distribution of GCSE results. Therefore your child's school email account and their Year 11 googleclassroom will now be open until the end of August. This will allow us to communicate with them with updates about colleges, hoodies, yearbook etc. We would suggest that students check their emails at least once a week during the summer holidays to keep updated. Since school closure, we have been communicating with your child through email and their googleclassroom. This has included assemblies, careers information, college information and resources to support with mental health and well being during this uncertain time. Please ask your child to see this googleclassroom if you would like to go through the resources with them/use some of the resources to support them and your families.

The Class of 2020 Yearbook

If you and your child would like to purchase the book, please go to <https://allyearbooks.co.uk/buy/13497>. The books are currently £16.65 and will include student profiles of students who signed up for a profile, a range of photographs taken throughout the 5 years as well as some fun votes that students can look back on as an adult of their time at the school and as a year group! The deadline for payments is Wednesday 15th July.

The Class of 2020 Hoodies

The online shop of the Class of 2020 hoodies is also now open. There are 4 different hoodie designs as well as a range of colours/sizes for your child to choose from and an optional nickname/surname section. The back of every hoodie has the first name of all of our Year 11 students in the 2020 section. The closing date for online payments is 11.00pm Sunday 19th July 2020. The shop is available here as well as delivery details - <https://www.leavershoodies.com/shop/lealands-high-school-2020>

We hope that you all have a safe and good summer break and we look forward to hearing from students in the future about the next stages of their education and lives. We are so proud of the year group!

Kind regards and take care.

Miss A Sheridan
Head of Year 11

Ms S Goodrum
Pastoral Support Manager
