## Re: GCSE Art and Design Materials Pack

Dear Parent/Carer,

As you are aware, your son/daughter is currently completing weekly tasks towards their GCSE Art and Design Unit 1 Portfolio worth 60% of their final grade. The tasks have been carefully planned to cover Assessment Objectives 1-3 (research, drawing and experimentation) to ensure they are meeting exam board requirements whilst working from home. Only basic school materials have been needed, such as a pen or pencil to make sure the work is accessible for all. Please ask them to show you their work completed during this time if they have not previously shared it with you. They are 'handing in' a photo of their work weekly on our Google classroom page for feedback and STEP points.

The next set of work until the end of term is to cover AO4 - produce a response. They will use their drawings and research completed so far to plan and produce a larger piece in a wider range of materials. To support this work a Loom Presentation has been shared by Ms Reason our Director of Art and will be followed up with online Google Meets in small groups to discuss the work further. Some students may be invited into school for a short practical workshop. We will be in touch if this applies to your son/daughter.

In order to ensure all students can access this work **we are providing free packs of art materials which will be delivered to you during the week of June 22nd**. The sealed packs will be put together following Government guidance and will include paper and a range of drawing materials. If your son/daughter attends a workshop they will bring a materials pack home with them.

Thank you for your help in supporting and encouraging your son/daughter to continue to make good progress whilst working at home. We hope your family is keeping safe and well during these challenging times.

If you have any further questions please contact: [reasone@lealands.luton.sch.uk](mailto:reasone@lealands.luton.sch.uk)

Regards,

Ms Reason  
Director of Art
