Dear Parent/Carer of Year 11

I am writing to inform you of our decision to delay our Year 11 Leavers Celebration until the next academic year. I have not made this decision lightly but, with conviction, believe that it is for the best.

Under current Covid restrictions, an event this term would be very low-key, including social distancing and restricted movement. I am determined to give our Year 11 students the celebration that they deserve for dealing so well with the disruption and trauma of the past few years, which is a driving factor in waiting for restrictions to be lifted.

We are also using donations, given very kindly by our community, to fund this event and I feel that this should be spent on making this celebration special, rather than on restriction based safety measures. I want to ensure that the kindness of everyone who donated is used in the spirit that it was given.

Therefore, I will be holding an online leavers assembly in the final week of this term. The date will be confirmed with your child next week. The students will be sent a Google Meet link via their school email addresses.

In September, I will send invitations to the celebration event through the post. I have already requested via a loom message sent to student emails on Wednesday 23rd June, that any change of address between now and September be emailed directly to myself in order to ensure they receive their invite.

Further details of the event will follow in September.

I would like to take this opportunity to once again thank you for all your support over the past five years in ensuring your child had a good experience here at Lealands, and I wish you all the best for the future.

Yours sincerely

Mr Paul White
