4th March 2021

Dear Parent/Carer,

I am writing to inform you about when your child will have their initial test and then start in the LEAP provision. All of the students in LEAP will come in on Thursday the 11th March at 10.15am. They must go straight to the sports hall where they will be invited in for their testing. Students must then return immediately home and continue their online learning. Year 7 and 8 will follow the LEAP google classroom they have been invited into and Y9 will complete their final day with their mainstream teachers.

Your child will return to school on Friday the 12th March. The entrance for LEAP is through the gate to the left of the main driveway entrance when looking at the school. Mrs Rolls will be on duty on Friday and will direct them in. Students must be in school by 8.40am or they will be marked as late and receive a half an hour detention that evening. Students' departure time is 1.30pm. Please ensure your child goes straight home. They must not socialise outside of school at this time. Students are issued extended learning daily on the Google Classroom and will be expected to complete it between 2-3pm.

Due to students just starting in LEAP the programme will run up until at least the May half term. We will then review your child's place and discuss if they are able to return to the mainstream school.

From Friday the 12th March you will receive daily texts on how your child has done that day in school. You will also receive a telephone call on Fridays from your child's mentor to update you on their week. If you have any questions and want to speak to a member of the LEAP team, please do not hesitate to contact the school on 01582 611 600.

We look forward to seeing your child back in school on the 12th March.

Your sincerely

Miss Watson
