Dear Parent/Carer,

I am sorry to inform you that the Big Bang Fair trip, due to go out on Friday 13th March, has been cancelled.

We were informed on Friday 6th March by the event organisers that the show has been cancelled due to health and safety concerns relating to the novel coronavirus Covid-19. They have not made the decision lightly but given the nature of the event, where many thousands of students congregate from all over the UK for a hands-on STEM experience, that it would be best to follow the advice given to them and cancel the fair.

Their statement can be read at <https://www.thebigbangfair.co.uk/>

A refund of your trip payment will be made to you. If you have paid using our online payment system, the refund will be made using the system directly back to you. If you have paid with cash or by cheque the refund will be returned to you via cheque which your child can pick up or, if you are available to come into school, the refund can be made via a cash payment.

Please accept our apologies.

Yours sincerely,

Mr Brennan
