26th May 2021

Dear Parent/ Carer,

As we detailed in the letter on the 16th April, we will do everything possible to give our students opportunities to demonstrate and provide sufficient evidence of the best grade of which they are capable. Students are completing assessments this half-term which will contribute to the portfolio of work which we use as evidence to support our Teacher Assessed Grades.

Some students will be required to return after half-term to complete some of the assessments which they missed, to provide additional evidence for their Teacher Assessed Grades.

If your child is required to attend any of the sessions, a personalised timetable will be issued shortly. Students should arrive at the time stated at the front gate, where they will be met by their teacher. A small group of students will work with the teacher reviewing key topics before sitting an assessment.

If students are not required to be in school for these sessions, we would love for them to attend some of our enrichment activities over the first three weeks of next half-term (7th-25th June). Our enrichment activities are varied from courses to help students bridge the gap from GCSEs to A-Levels, to practice interviews to solving crimes!

Students can attend all of the sessions, clashes permitting, or they can just attend the ones which really interest them. To see all of the courses, and sign up for them, please complete this Google Form: <https://forms.gle/ca2RoiYMXycTC93WA> (link also available in the Year 11 Bulletin Board Google Classroom).

This Friday (28th May) will be the last day that students will all be in school at the same time. The day will include assessments in English and maths; however at 3:10pm students will be welcome to sign shirts and celebrate a unique end to a unique year! If students are returning to school after half-term it is essential that they have a spare white shirt. Students must not begin shirt signing before 3:10pm on Friday.

Thank you for your continued support in these challenging times,

Yours sincerely,

Mr K Mason
