Dear Parent/Carer,

GCSE 'Steps to success' parent information - Tuesday 23rd May

As the Year 10 mock exams are fast approaching, from 19th - 23rd June, we would like to invite you to a parental information evening **Tuesday 23rd May** in the Main Hall. Parents/Carers with children's surnames A-K should arrive for 6.15pm and students with surnames L-Z should arrive at 7.15pm. Each presentation will be approximately 40 mins long.

We will look at how you can support your child at home with their studies so they can maximise their potential, while exploring the most effective revision strategies. We will also talk about some of the strategies we employ in school and within lessons to help students achieve.

We will give some important information about how the school and parents can work together to ensure your child achieves their potential and some important information regarding the well-being of our students and the journey towards 6th form/post-16, and the application process.

We expect all parents/carers to attend. Please arrive at school 5 minutes before the scheduled time on Tuesday 23rd May. **Student attendance on the evening is highly recommended and will be hugely beneficial.** If arriving by car, please make use of the side streets to park, as we will have a number of additional clubs using our facilities that night.

All parents/carers who attend the evening session will be given a raffle ticket to enter into a prize draw to win a set of CGP revision guides, tailored to your child's subjects and exam boards, roughly to the value of £75.

Thank you, once again, for your continued support. Should you have any questions about any of the above or any other general concerns, please do not hesitate to contact us. We look forward to hearing from you and welcoming you to the above event.

Yours sincerely,

Mr S Dummett
