**Re: Experience Day Thursday 10th July 2025**

Dear Parent/Carer

I am writing to inform you that all of the experiences are confirmed and that payments can now be made via the school's secure payment system, Scopay. This year's Experience Day will take place on Thursday 10th July 2025 and we would like all Year 7 students to experience a new opportunity in line with our Lealands Journey vision.

To secure a place for your child on one of these experiences, the deposit or full balance should be paid as soon as possible and by Monday 5th May 2025. If paying a deposit to secure a place the outstanding balance must be cleared by Sunday 8th June 2025. Scopay offers the flexibility to make weekly, or monthly payments to help spread the costs. **Refunds will not be possible after 8th June unless the allocated place can be filled by another student. Please ensure that your child chooses their experience carefully as swapping any experience once chosen may not be possible and will potentially incur an administration charge.**

All costs include transport to and from the experience and any entry costs. Places are strictly limited to those advertised in the table below. We have increased the places available on a number of the experiences based on last year's demand. If a trip your child is eligible for does not show on your account it usually means it is already fully booked.

**No other form of payments will be accepted. If you need support with setting up or logging onto your Scopay account please contact the finance department or refer to the attached parental guide.**

***Students not taking up one of the experiences will be expected to attend school as usual but we hope that all students will join an experience.***
