

12th May 2026

Dear Parent/Carer,

I am writing to inform you that straight after the half term holiday, from Monday 1st June, year 11 students will only be required to attend school for examinations, masterclasses and morning interventions.

During this period, students will not be required to attend their usual timetabled lessons. However, it is essential that they continue to engage in structured preparation for their examinations.

The targeted intervention sessions and masterclasses are an important part of ensuring that students are ready for their exams. These sessions are designed to:

- reinforce key points needed for the exam
- remind students about what they can do to maximise marks
- address any last minute questions from students

Students will receive a personalised timetable outlining when they are expected to attend school for these sessions. Attendance is strongly advised as these sessions are a vital part of their final preparation.

We also encourage students to:

- follow a structured revision timetable at home
- make use of revision resources provided by their teachers
- ensure they are well rested and prepared for each exam

Your support in ensuring your child attends all required sessions and maintains effective revision habits is greatly appreciated.

If you have any questions or require further clarification, please do not hesitate to contact the school.

Yours sincerely,

Ms Freebourne

Assistant Headteacher
