Dear Parent/Carer,

### **Year 9 Study Skills Workshop and Programme of Learning**

Students have been working very hard since their return to school in March, and teachers are very pleased with the progress that they have been making. However, it is important that we continue to support all our students to ensure they are not negatively affected by the school closures caused by Covid19.

We would like to continue with our focus on supporting students with their learning and development and are currently putting in place arrangements for some activities in the summer holidays to support this.

More detailed information regarding this will follow over the coming weeks. However, I wanted to bring your attention to a fantastic opportunity that we are going to be putting on.

**Positively Mad is an external company that our school, and many other schools have used in the past to support students' confidence and ability to retain information and to revise effectively. This will be an invaluable opportunity for all our students as they approach their GCSE assessments for both our current Year 9 and Year 10 students.**

***Year 9 are invited into school on Tuesday 20th July from 9.20 - 11.30am.***

These workshops will be an introduction to study skills, memory and being an effective learner. The feedback we have had from students attending these sessions in the past has been extremely positive.

We would like to encourage all students to take up this opportunity.

Please can you complete the [google form](#) attached by QR code to book your child's place. Replies must be received by **Tuesday 8th June**.

Students have an assessment week immediately after the May half term, and we will be looking at these assessments to then work out a more bespoke programme for some of our students who need some additional support with some of their subjects. In the meantime, it is important that all students are completing their extended learning tasks (set via E praise) and are giving their full attention in lessons and working to the best of their ability.

Please do not hesitate to contact me via [admin@lealands.luton.sch.uk](mailto:admin@lealands.luton.sch.uk) if you have any questions.

Yours sincerely

Alison Rust  
Assistant Headteacher
