Have you thought about becoming a teacher?

Dear Parent/Carer,

Have you or somebody you know ever thought about becoming a teacher?

At Lealands, we have successfully trained many teachers who have gone on to lead successful careers in teaching and school leadership.

If you have a relevant subject degree, you may be eligible to train to teach while being paid a salary and gaining experience as well as learning from our expert teachers in school.

What we can offer:-

- Start dates in January, April and September
- Entry to a truly rewarding career
- Access to training alongside on the job learning
- Experienced and well trained mentors
- An excellent school environment and supportive staff
- A wide range of staff benefits including private healthcare for you and your children
- A salary of £20,598 while training, rising to £30,000 when qualified (usually after one year).
- With experience, class teachers can earn up to £46,525 (without additional responsibilities).
- Costs of training and qualification paid
- Term time working plus 5 training days in school

Subjects:-

We are keen to train teachers in the following subject areas:-

- Science
- Maths
- English
- Food Technology
- History
- Geography

If you are interested in finding out more about training to teach at Lealands, please contact us to arrange an informal discussion (email: recruitment@lealands.luton.sch.uk or tel: 01582 611600).

Yours sincerely,

Mr J Burridge
Headteacher
