## **Year 11 Mock Results and Parent Information Evening**

17th November 2023

Dear Parent/Carer

We are very pleased how the Year 11 students conducted themselves in the recent mock exams. They treated the exams in the exact same way that we need them to treat the final GCSE exams. Teachers are marking mocks and returning them to students. You will receive their mock results and final estimated grades report before the Christmas break.

Many students have told us that they want to revise, but are still not sure how to do this most effectively. They have also explained that their revision can be ineffective, and they can become easily distracted.

To support our students, Mr Dummett (Head of Year 11), Ms Rust (Assistant Headteacher) and I will be leading a Parent Information Evening on **Tuesday 5th December 6:30-7:30pm**. There is no need to pre-book, and we would love to see as many of you there as possible.

We will discuss:

- Mock results and the final estimated grades which are sent to colleges
- Personalised learning checklists and how to use them to improve grades
- Intervention lessons
- Revision strategies

The evening's objective is to support students and parents in maximising their revision time and learning how to revise more effectively. This will support our students in lessons, to prepare for the next set of mock exams, and for their GCSEs in May/ June.

We hope to see you then.

Yours sincerely,

Mr K Mason  
Assistant Headteacher
