

Dear Parents and Carers,

Remembrance Day Ceremony – Wednesday 11th November 2026

On Wednesday 11th November 2026, Lealands High School will hold our annual Remembrance Day Ceremony, bringing together students and staff to remember and pay our respects to those who have served and sacrificed in conflicts past and present.

As part of the ceremony, we would be pleased for students who are members of a recognised uniformed organisation to attend school wearing their organisation's uniform for the day. This may include, for example, students who are members of:

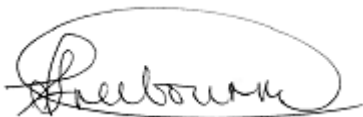

- Army, Air or Sea Cadets
- Scouts
- Guides
- St John Ambulance
- Police or Fire Cadets
- Other recognised uniformed youth organisations

We believe their participation in uniform will be a meaningful addition to our school ceremony and an opportunity to recognise the contribution that these organisations make within our wider community.

Students who wish to participate should wear their full and appropriate organisation uniform to school on Wednesday 11th November. All other students should attend in their normal Lealands High School uniform.

We look forward to coming together as a school community for this important occasion and thank you for your support.

Yours sincerely,

Miss S. Freebourne
Assistant Headteacher
Lealands High School
