INTRODUCTION

FROM HEADTEACHER, MR BURRIDGE

Dear Parent/Carer,

We have had a great start to 2023 and so many successes. It is really exciting to see how well all our sports teams are doing; Lealands' students really are champions with numerous wins at Town, County and District level. We are looking forward to this run of success continuing and our teams going from strength to strength.

As you know, we focus on strong academic standards and excellent behaviour in school, and also want to give our students the widest possible opportunities. Our 'Lealands Journey' available to view on the website gives details of the trips and activities that form part of this over the 5 years students are with us. Students recently enjoyed a humanities trip to the London Dungeons and you will have received some early information about our Summer Term Experience Day which includes activities suggested by our wonderful Student Voice team. Many students are also looking forward to exciting residential trips to the Frontier Centre, Paris and Blue Peris later in the year. We have an extensive range of extra-curricular clubs and activities that we encourage our students to participate in including: the upcoming show of Sister Act; Art Club, Languages Club; Computing Club; Bible Study; Humanities – Get Involved; Maths Support Club and many sports.

Our students are continuing to shine with fantastic attitudes and behaviour in school. It is particularly pleasing that 95% of all teacher grades for Year 7 attitudes to learning were good or outstanding in the Autumn term. They have settled into our expectations for respect, responsibility and excellence beautifully. It is lovely to enjoy hot chocolate with those who choose this as a reward for their Epraise STEPs. For the few whose behaviour is less than good, extensive support is in place to ensure that they improve and there is no disruption to learning in lessons.

Recently, we had some disruption due to the NEU strike action. I hope you recognise our efforts to minimise this in the interests of our students and families. There are a further three planned strikes this term and it is likely that there will be similar levels of disruption, but again, we will work to minimise this as much as possible.

Cont'd...

INTRODUCTION

FROM HEADTEACHER, MR BURRIDGE (CONT'D)

Recently, students in years 7 and 8 had the pleasure of hearing from singer-songwriter, Lex Gibbon, who suffered bullying at school and has gone on to use her experiences to write songs and deliver strong messages about body image and social media use. The inspirational talk impacted strongly on our students and reinforced our continuous messages about being kind and thoughtful.

In the week before half term, many of our Year 10 students will be participating in work experience as they begin to think about their next steps beyond school and into future careers. For those who have not been able to secure a placement, there will be virtual work experience taking place later in the term. This will be supported further by our annual Careers Fair later in the year. Parents/carers of students in Year 8 and 9 will be receiving information shortly about choices and options for next year. Our Year 11 students are busily preparing for their next round of mock GCSEs and it was great to see a number of parents attend the meeting held recently about supporting Year 11 students with revision and exam stress ably led by Mr Mason and Mrs Rust.

As we continue to work towards fully achieving the Parent Partnership Award this year, please do contact or email me if you have any questions, queries or suggestions about how we can continue to further improve the excellent provision we have at Lealands.

John Burridge
Headteacher

DATES FOR YOUR DIARY

SAVE THE DATE:

Half-Term Begins:	Monday 13th February 2023
Spring Term 2 begins:	Monday 20th February 2023
Year 11 Mock GCSE Exams Begins:	Monday 20th February 2023
Year 7 & 9 Assessment Week Begins:	Monday 6th March 2023
School Production of Sister Act:	Wednesday 22nd & Thursday 23rd March 2023
Spring Term Ends:	Friday 31st March 2023
Further NEU Teacher Strike Days: (Details will be communicated in due course)	Wednesday 1st March 2023 Wednesday 15th March 2023 Thursday 16th March 2023

TERM DATES:

Spring Term:	Wednesday 4th January 2023 - Friday 31st March 2023
Half-Term:	Monday 13th February 2023 - Friday 17th February 2023
Bank Holiday:	Monday 1st May 2023
Bank Holiday:	Monday 8th May 2023 (Extra bank holiday for King's Coronation)
Summer Term:	Monday 17th April 2023 - Thursday 20th July 2023

Full term dates for academic year 2022/2023 and 2023/2024 can be found on the school website:

<https://www.lealands.luton.sch.uk/termdates>

VALUE OF THE MONTH

February 2023

“Thoughtfulness”

“A little attention, a little kindness, a little thoughtfulness is worth all the wealth in the world”

Avijeet Das

Excellence can be demonstrated by a little thoughtfulness

SEVERE WEATHER PROCEDURES

Occasionally during the year, particularly in Winter, we experience spells of very bad weather (e.g. snow). During these times we will always do our very best to keep the school open. However, there may be occasions that we have to make the decision to close based on:

- the safety and wellbeing of students and staff
- the number of teachers who are able to safely travel to school to determine if we have adequate numbers of teachers to take classes
- the severity of the weather, which impacts on whether the school grounds are safe for students, teachers and visitors

In the event that the school has to close, we will always endeavour to give as much notice as possible. The school will follow these procedures to notify parents/carers:

- **Update the school website** - a message will appear in red running across the top of the home screen, this should be your first point of reference.
- **App Message*** - parents/carers who have downloaded our MyED Parent App will receive a message directly to the app. **Please ensure you have your notifications turned on so you are notified as soon as the message comes through.*
- **Text Message*** - parents/carers who have not yet downloaded our MyED Parent App, will receive a text message. **Please ensure you inform us if any of your contact details change so we always have the most up to date information for you. Failure to do so may result in messages not being received.*
- **Social Media Updates** - keep an eye on our Facebook, Instagram and Twitter pages for updates.
- **Inform Local Authority** - The school will inform Luton Borough Council, who have a page dedicated to school closures. This can be found on their website at <http://www.luton.gov.uk/schoolclosures>
- **Local radio** stations **no longer** update live lists on their websites (although they will read out lists on air).

SPORTS & EXTRA-CURRICULAR NEWS

SPRING TERM PE EXTRA CURRICULAR TIMETABLE

<u>TUESDAY</u>	<u>WEDNESDAY</u>	<u>THURSDAY</u>	<u>FRIDAY</u>
Badminton- KS3 Staff: MGI 15.00-16.00	Football - Boys (Year 7) Staff: JPU 15.00-16.00	Basketball -Boys (KS3 - TEAM ONLY) Staff: NPE/SDU 15.00-16.00	
Rugby - Girls (All Years) Staff: JWA 15.00-16.00		Football - Girls (All Years) Staff: NKE/SHA 15.00 - 16.10	
Swimming - All Years Staff: SHAMCU 15.00-16.15		Table Tennis - All Years Staff: TWO 15.00 - 16.10	

Extra-curricular clubs continue to be well attended across all the year groups within PE.

Clubs are open to all students, so whether it's trying a new club for the first time, or coming to refine your skills and techniques in specific sports, it's pleasing to see the students engage with the sports and activities that we have on offer.

Above is the PE extra-curricular timetable for the Spring Term. We look forward to welcoming the students to these clubs!

GIRLS BASKETBALL NEWS

Congratulations to the Year 8 girls basketball team for not only making it to the town finals but winning it! A gruelling match against Chalk Hills with the match ending with Titi scoring the golden basket and leading the team to victory. Well done girls, a great achievement for all involved!

SPORTS & EXTRA-CURRICULAR NEWS

An amazing achievement from the U16's girls basketball team. Reaching the town finals and going on to beat Cardinal Newman and take home the shield. The girls worked really hard to get to this position and deserved to take home that shield, making all of us at Lealands proud.

U16 BOYS BASKETBALL

The Under 16 boys basketball team had a very good season. We achieved strong wins against both Chalk Hills and Chalney boys, before a closely thought draw with cardinal Newman. This set up a deciding match between us and Lea Manor. Despite a superb team effort we finished the game losing by one point. Well done to the team who have represented Lealands so well this season.

CROSS COUNTRY:

On Thursday 12th January, Lealands took a full team to the town cross country championships at Stockwood Park.

The weather was cold, windy and very wet. This did not stop Lealands competing to the highest standard. Special mentions to the Year 10/11 girls team who finished 1st in the town and the Year 8/9 girls & the Year 7 girls team for finishing 3rd in the town!

Congratulations to the following students who finished in the top 10 and have qualified to compete at the county championships:

Morgan P, Y7 - 5th
Christina P, Y7 - 9th
Bartoz K, Y7 - 9th
Grace N, Y8 - 6th
Briar P, Y9 - 2nd
Sarah A, Y10 - 3rd
Kayla W, Y11 - 6th

SPORTS & EXTRA-CURRICULAR NEWS

YEAR 10 FOOTBALL

The Year 10 boys football team went on an impressive run this school year, reaching the last 32 of the English Schools FA Cup. The competition started out with 687 teams, so to get this deep into the competition was very impressive. The boys were very disappointed to be knocked out and are extremely motivated to go further next year. All the boys were exceptional in all of the fixtures.

Special mentions go to Allen who finished as our top scorer in this competition and to Lui-Kye who stepped up from Year 9 to put in several fantastic performances in defence. They now turn their attention to the County Cup and Luton Schools League.

NETBALL TEAMS

Our netball teams have had an incredible season across the board!

Our Year 7 team topped their group without losing a game before going to the district finals. They won their playoff game against Putteridge and went on to play against a very good Cardinal Newman team. The girls worked very hard, but lost out in the end. Still a huge achievement in their first season to be 2nd in the district!

SPORTS & EXTRA-CURRICULAR NEWS

Our Year 9 team came 2nd in their group to qualify for the district finals. They won their playoff game against Chalk Hills and went on to play against Cardinal Newman in the final. The girls worked very hard but narrowly lost out 11-9 in the final. A great achievement to be 2nd in the district!

Our U16s won all of their games to qualify for the district netball finals. For some of our Year 11s this was their final school netball game. They were determined to go out on a high and did so with a 25-14 win against Cardinal Newman in the final to be district champions!

SPORTS & EXTRA-CURRICULAR NEWS

SWIMMING

On Thursday 15th December, Lealands took a full swimming team to compete for the district swimming trophy. The teams all swam very well, demonstrating an excellent fluent technique in the freestyle, backstroke, fly and breast stroke. Consistently finishing in the top 3 in every race across all ages I am pleased to announce we were crowned town champions! Well done all Swimmers!

LEALANDS' SPORTS LEADERS

Our Year 10 and 11 Sports Leaders went to Inspire on Wednesday 11th January to help out with the Luton Primary Schools Sports Hall Athletics Final. The leaders helped run all the athletics events by demonstrating, measuring, timing and judging the competitors.

The event was extremely successful with the organisers of the Sports Hall Athletics Final asking for our students' availability for the South of England event happening in April.

Well done to the students involved who represented the school superbly.

ACTIVE LEARN

LANGUAGES UPDATE

The Languages Department would like to congratulate the following students for great effort on ActiveLearn during December.

TAKE MATHS FURTHER CHALLENGE

MOST ABLE STUDENTS UPDATE

This term, we took our Most Able mathematicians for a 'Take Maths Further' challenge at the University of Hertfordshire.

During the day, they were introduced to the concept of studying maths at A Level and beyond. They had to undertake a number of maths challenges and had a lecture on the use of maths in 3D and 4D video games from a University College London lecturer.

The students more than rose to the occasion with students from Lealands forming parts of the winning teams in a number of the events.

Look out for further maths challenges this academic year as we invite the Advanced Maths programme into Lealands high School.

For further maths challenges for your child, please check out <https://nrich.maths.org/>.

In other 'Most Able' news, the Google Classroom has this term's challenge on it for Key Stage 3. This term it is the Science's team that is presenting the challenge, with Key Stage 3 Students having to answer the following question:

What energy resources should the UK be funding to reduce the energy crisis? How would this impact the environment?

LUTON FOODBANK APPEAL

YEAR 7 CHARITY AMBASSADORS

Following on from the successful charity appeal we had for Luton Foodbank last Christmas, we were delighted once again to be able to support the appeal.

Our Year 7 Charity Ambassadors were on hand every morning over the Christmas period to help decorate the trolley and receive the donations from their peers.

Last year, we had all 5 year groups participating in the appeal and we filled a full trolley with donations – such was the access of this year's appeal, we managed to fill the trolley again, but this time, with only one year taking part. This is testament to the generosity of our Year 7 students and their families.

Staff at Luton Foodbank came to collect the donations and were delighted with the amount they had received.

I would like to take this opportunity to thank all of our students and their families for their support and generosity with the Luton Foodbank appeal, as we know how beneficial their work is, particularly in the current climate.

Mr C P Taplin
Head of Year 7

SANTA FUN RUN

YEAR 8 CHARITY AMBASSADORS

On Monday 9th January, our Year 8 students finally got to participate in their 'Santa Fun Run' around the school field. The event should have taken place before Christmas, but unfortunately coincided with the snow and was therefore postponed.

Although not dressed as Santa, the year group still ran, jogged or walked the course in aid of the Luton & Dunstable Hospital and raised a really impressive £770.58. The money will go towards the L&D's Sky Panels Appeal for their new Children's Emergency Department.

Well done to all who took part and helped raise such a wonderful total for a great cause!

FREE SCHOOL MEALS

CHECK IF YOU ARE ELIGIBLE!

Take Up of Free School Meals

Free school meals are a lifeline for millions of families across the country. As the cost of living crisis pushes thousands into poverty, the scheme is crucial in the fight to stop children going hungry.

I think I'm eligible - what do I need to do?

If you think your circumstances have changed or you have not checked to see if you are eligible - here's what to do:

1. First, check if you qualify – it is not just if you are unemployed, so please look at the eligibility list below.

Your child may be able to get free school meals if you receive any of the following:

- **Income Support**
- **income-based Jobseeker's Allowance**
- **income-related Employment and Support Allowance**
- **support under Part VI of the Immigration and Asylum Act 1999**
- **the guaranteed element of Pension Credit**
- **Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)**
- **Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit**
- **Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)**

2. Registering is really quick and easy, you can apply online at

<https://www.gov.uk/apply-free-school-meals>

FREE SCHOOL MEALS

CHECK IF YOU ARE ELIGIBLE!

How it works in school

Those children that are eligible for free school meals have their accounts credited daily so students can purchase their meals alongside friends. Those entitled to them are treated with the strictest confidence.

Just so you know, Aspens, our catering provider, offers a wide range of food for mid morning break and for lunch time including a number of meal deals. As well as the main traditional meal and pudding, they sell pasta with a range of toppings, jackets with fillings, hot wraps and a range of sandwiches and paninis to eat in or grab & go.

Using their entitlement

We are seeing some students who are entitled to free school meals choosing not to use all of their allowance or buy lunch at all. If this applies to your household, please encourage your child to use their allowance each day to buy a healthy meal at lunchtime. Evidence is clear that this will set them up for the rest of the day and aid their learning throughout too. Please don't let them miss out.

If you have any questions regarding the catering please contact: info@aspens-services.com

KS3 Art Club is back!

If you want to try out new materials and techniques or are creative at home and want to bring your work into school to finish come to Art Club!

Every Tuesday at 3pm

Please email Mrs.Ward-Lindsay
in art know if you would like to attend!
(Ward-lindsaym@lealands.sch.luton.uk)

This term we have been experimenting with paint in Art Club. Students have used their imaginations to create some wonderful artwork and have investigated different ways of using paint. Students have had fun creating beautiful painted landscapes, multimedia pictures using various paints, pencils and crayons and have used masking tape to create some great abstract pieces.

Mrs.Ward-Lindsay
(Art Technician/Artist)

As part of our exciting Artsmark journey we are continuing to develop and expand our curriculum design and delivery. Our aim is to increase the range of arts activities to provide our students with more opportunities to explore their creativity through the arts.

This term students have been getting digital with drawing through the creative use of their Chromebooks.

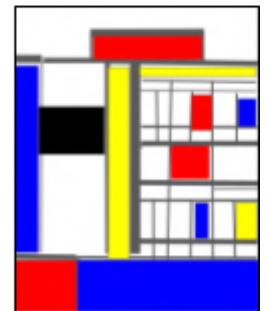

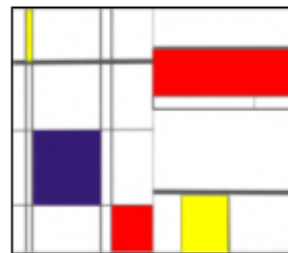

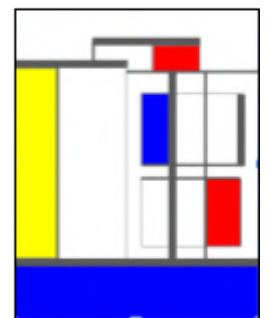

Some of our KS3 students have been exploring their urban environment with the help of the techniques of Piet Mondrian (1872-1944). He is one of the greatest figures of modern art and abstract painting. He simplified the subjects of his paintings down to the most basic elements: black lines, rectangles and primary colours. Students have used these techniques to create their own unique digital version of Lealands!

Our Yr10 GCSE Art students have been using Chromebooks to digitally develop their own photography into compositions based on the artist Georgia O’Keeffe (1887-1986) - the first female painter to gain respect in New York's art world in the 1920s.

Students are now creating paintings based on their photos, watch this space....

YEAR 11 GCSE MOCK EXAMS

SPRING TIMETABLE

The GCSE mock exams in February and March will be students' second and final opportunity to practise for an exam season. We strongly encourage all of our students to approach this mock fortnight in exactly the same way they approach the GCSE season.

Students should continue to arrive in the morning for the 8:55am whistle, so that we can start the exams promptly.
