INTRODUCTION

FROM HEADTEACHER, MR BURRIDGE

Dear Parent/Carer,

After the cold dark days of January it is great to be heading into Spring and all that this brings with the promise of renewal. On that theme, we continue to work with all our students on their attitudes and values, recognising that they can choose how they act and what they achieve through the correct attitude. To support this, Miss Duge produced a fantastic video presentation that all our students watched with their tutors about manners and politeness. We have introduced a new STEP point for this called MAPS and it has been wonderful to see so many of our students embracing this to make our community a better place with thousands of MAPs already awarded. This timely introduction fits well with February's value of the month which is 'kindness'.

Our final push towards GCSEs is well underway with extensive revision and intervention classes offered to students and some practical exams already taken; our students studying Hospitality and Catering produced some amazing dishes for this, beautifully presented. It was fantastic to see the culmination of all their learning and preparation, working so calmly and carefully under the time and exam pressure.

Earlier this term, parents were invited to a presentation about our relationship, health and sex education. It was great to see a number of parents attend and engage with this. Mr White has produced a fantastic Loom of the presentation for anyone who could not attend or who is interested in what we teach and how we teach it. This is available on the school website. We know that this aspect of education is a very sensitive one and one which requires parents to engage in sometimes difficult conversations with their teenagers. We are always able to help with advice and information so please do get in touch if you would like this.

I am really excited by the many additional opportunities that we are building into The Lealands Journey (this outlines all the trips, experiences and visits we provide to students across their 5 years with us and is available to view on the school website). We are constantly looking to enhance what we can provide and the range of opportunities is phenomenal. We try to ensure that some of these are low or no cost to support our families, but also want to provide the widest range and so we will be having another trip to

Morocco (it's a long time since the last one!) and a very exciting ski trip is being planned to Italy for 2025. We have started planning our end of term experience day trips with the aim that every student attends an off-site experience that day. Many of the popular standard trips will be on offer again and many new experiences so there is something to appeal to everyone. Please make sure

INTRODUCTION

FROM HEADTEACHER, MR BURRIDGE (CONT'D)

your child signs up for one of these when the information is published - we want EVERYONE involved!

We continue our school journey of excellence, having picked up our next award, the Silver Arts Mark. The arts are a powerful learning experience and are extensive at Lealands. I am hugely grateful to all our staff, but particularly to Mrs Reason, Director of Art, for driving this over a number of years. Our Artist in Residence does amazing work with students and the wider arts curriculum is second to none.

We have been pleased to host some face-to-face parents evenings alongside our online parents evenings this year. We recognise that there are pros and cons for both approaches and so currently have a mix of these across the 5 years. This is constantly under review to ensure that staff and parents can meet and work together in the best way possible to support their child's learning. Please don't hesitate to let us know your thoughts on this if you have any.

You may be aware that there is a national drive on school attendance. Although, our attendance continues to be significantly above the national average, like all schools this has declined following the Pandemic for various reasons. We have also seen an increase in lateness to school and, in some cases, lessons. We are determined to ensure that our students get the best education possible and the first step in this is to be present. Extensive research demonstrates the negative impact of missing school time; even just a small amount, on progress and all outcomes for young people. We are seeking your support to ensure that your child/children arrive to school on time every day and is present whenever possible. As you know, we sanction lateness with detentions daily, but these should not be necessary and certainly should never occur more than once. If there is a specific and unavoidable reason for your child arriving late, please phone to let us know. On the other hand, we will continue to reward our students for great attendance and punctuality so they know how much this is valued for them.

Finally, I am so looking forward to the upcoming performance of 'Grease'. Our performers have been rehearsing tirelessly for months and it should prove to be another amazing show. I hope to see many of you there.

John Burridge
Headteacher

SPORTS SUCCESSES!

BASKETBALL

The Year 7 girls' basketball team made it to the Luton Schools finals back in December against Cardinal Newman. In a hard fought battle, the girls came out on top, winning 16-13 to be crowned town champions! They went onto the county competition on 18th January and competed at a very high level against teams from all over Bedfordshire; including many middle schools with a few years experience together. They won 5 games and lost just 2 which meant they came 3rd place overall. A fantastic achievement in their first year at Lealands as a team!

The Year 7 boys' basketball team went through their games undefeated; reaching the finals in December. They, like the girls, faced Cardinal Newman. An excellent team performance saw them win 28-4 and be named as town champions! On 24th January, they went to compete at the county competition where they put in many great performances. The team were undefeated, 5 wins and 1 draw, as was Robert Bloomfield Academy. It then went to basket difference, where the boys lost out by 4 baskets! An excellent job to come in 2nd place in such a strong competition.

Our U16 girls qualified for the County Basketball finals after a strong league campaign. An excellent county tournament ended with both Luton schools competing in the final. A great win 30- 12 against Cardinal Newman saw them crowned County Champions! They will now go on to represent Bedfordshire at Regionals.

SPORTS SUCCESSES!

NETBALL

Our Year 7, Year 8 and U16 netball teams had strong league campaigns and all qualified for the Luton finals which will take place on the 14th and 15th February!

SWIMMING GALA

We had an amazing day taking 36 students to the Luton Schools swimming gala!

A great job from Year 10/11 girls and Year 10/11 boys who both won 3rd place.

Our Year 7/8 girls did a fantastic job to achieve 2nd place! The Year 7/8 boys just missed out on the medals with a 4th place finish; a great performance nonetheless.

SPORTS SUCCESSES!

HANDBALL

Our Year 7/8 girls' handball team played their first competitive tournament on Tuesday 23rd January 2024. They did a great job coming 2nd out of all the Luton schools. This means they have qualified for the county competition in March!

Our Year 9/10 boys also competed very well a week later, also achieving 2nd place and qualifying for the county competition in March. They were a bit camera shy!

Good luck to those teams at the county tournaments!

CROSS COUNTRY

In January, we took 36 students to the town cross country championships at Stockwood Park. All students did very well in bitterly cold conditions.

Exceptional excellence was shown from the students listed below who have qualified to race in the county cross country championships which potentially will give them entry into the national cross country championships!

Janae (7th) and Rebeca (10th) Year 7 Girls
Lucian (3rd) and Logan (9th) Year 7 Boys
Bartosz (5th) and Caleb (10th) Year 8/9 Boys
Joni (1st) and Camelia C (2nd) Year 10/11 Girls

It was also a team competition in which Year 7 Boys came 1st and Year 7 Girls came 3rd out of all the Luton Schools.

LEALANDS' RECORD BREAKING STUDENTS

CLASS OF 2023

We are absolutely thrilled that our already record-breaking Progress8 score for the class of 2022/23 was upgraded on 1st February 2024 to -0.01. This means that more students than ever from our school achieved or exceeded the grades than they would have achieved at other schools. Lealands is continuing to move ever upwards, which was recognised when the school was judged "Good" by Ofsted last year. In addition, Lealands places in the top 30% compared to schools nationally with a similar cohort for progress.

A positive Progress8 score has been our ambition since the measure was introduced in 2016 and this is a huge step towards that. We are thrilled with our students' outcomes and our fantastic staff who supported the students to achieve these results. It has been a pleasure to see so many of them returning to school to collect their brilliant result certificates.

SOME OF OUR HIGHEST FLIERS

- Genevieve achieved 7 grade 9s and 2 grade 8s
- Reina, our Head Girl, achieved 6 grade 9s and 3 grade 8s
- Tommy achieved 6 grade 9s, a Level 2 Distinction* (8.5) in Child Development, 1 grade 8 and 1 grade 7
- Taskin achieved 5 grade 9s, 3 grade 8s and 1 grade 7
- Abbie achieved average an average grade of 8.38
- Ushaaney achieved average an average grade of 8.28

In addition, it has been great to hear successes from students who left longer ago: university offers, apprenticeships and the starts of exciting careers.

We are confident that our current students will emulate this success and reach or even surpass the year group's before them. Our current Year 11 students are preparing for their mock exams after the half-term break; and then in May/June they will sit their GCSEs.

Timetables and logistics for both are here: <https://www.lealands.luton.sch.uk/exams>

MEET OUR NEW PARENT GOVERNOR

We would like to introduce Melissa Llewellyn who was elected as Parent Governor in November.

I have 2 daughters at Lealands, in years 9 and 11. I'm passionate about young people accessing opportunities and the preventative and aspirational significance this has in driving their attitudes towards learning and careers.

I've worked with several local charities and places of worship over the past 10 years, and currently have roles which involve supporting people who are in difficult circumstances and engaging with social and systemic disadvantage.

I develop and deliver training in areas including safeguarding, inclusion, and relationships and sex education, and oversee hardship projects and community activities. I'm keen to use my safeguarding and fundraising experience to benefit the school and its pupils, and to broaden my skillset through my role as a governor.

LITERACY PROGRESS WINNERS!

The Year 7 and 8 students who made the most progress in their literacy groups during the Autumn Term were:

Year 7- Desire M, 71EW

Year 8 - Erion B, 82JW

Both students will receive a £10 Amazon voucher. Congratulations on all your hard work, keep it up!

YEAR 7 AND 8 LITERACY WORKSHOPS

In December, we took our Year 7 literacy students to Whipsnade Zoo to take part in a climate change workshop. They learned about climate change, how it affects us and how we can contribute to global warming. They also analysed temperature and animal data to establish the effects of climate on endangered animals. Then there was some free time to explore the zoo and students were lucky enough to see some of the animals up close in their enclosures.

In December, our Year 8 literacy students took part in a history workshop run by Wardown Museum. In the session they learned about the expansion of Luton, life in a workhouse and the straw hat making process. They were able to have a go at straw splitting, plaiting and hat decoration to help them understand the history of the town they live in.

MOST ABLE ACTIVITIES CONTINUE ACROSS THE SCHOOL

Our Key Stage 3 teams are busy preparing for the UK maths challenge in May with the introduction of the Maths Challenge club run at lunchtime with Mr Choudhury. We have entered a select number of our 10 mathematicians into the National Maths Fest. They will compete against schools from across the local regions.

Our Year 10 Oxford University Wadham programme students attended their second outreach evening. This time the students enjoyed two lectures from Oxford University postgraduate students on medicine and history. They will all attend a further outreach session in March, before getting the opportunity to Visit Wadham College, Oxford during the summer term.

The challenge programme will start for our Most Able students in Key Stage 3 during the second half of the spring term. Mr Pearson will share details with the students during assemblies.

LITERACY WEEK 2024

This year, during Literacy Week, we will be focusing on poetry and exploring different types of poems.

Hopefully, once the week has finished, students will have a favourite poem! We have chosen poetry as a theme for Literacy Week this year for many different reasons, but to also celebrate the life of poet, author and activist Benjamin Zephaniah. If students are not familiar with Benjamin Zephaniah, this will be a good opportunity for them and for you to encourage your child to research some of Benjamin Zephaniah's poems before the week; in particular recommend *"People need People"*.

DRESS UP TIPS

Literacy Week 2024 **BOOK DAY**

Start with pyjamas

Think about sleepwear

Pyjamas are a great way to get into the spirit of the occasion. The Tuesday from Peter Pan, Panto, from the BBC, is a great idea. Just make or get a few of your favourite pyjamas. Mc Linn

Friday 8th March

Literacy Week 2024 **BOOK DAY**

Start with a stripey jumper

Got a stripey jumper? Brilliant - it can be the start of many an easy costume. Dennis the Menace: Where's Wally, a pirate, Horrid Henry.

Friday 8th March

Literacy Week 2024 **BOOK DAY**

Think Hunger Games

If you want new costume ideas from books that haven't been done to death - think of new releases over the past year or so. The Hunger Games is a perfect example for older children. You can cobble an easy Katniss costume (brown leggings and top, plaited hair, toy bow and arrow) or go all out with vivid wigs, fabrics and face paint for a character like Effie Trinket.

Friday 8th March

Literacy Week 2024 **BOOK DAY**

Be creative with card

Get creative with cardboard

Think of what you can cut out and create from cardboard - what about two huge pieces of cardboard with strings at the top to make a ladder and you can paint a grid to go as the Golden Ticket from Charlie and the Chocolate Factory? Or use boxes to make a tin man costume.

Friday 8th March

Literacy Week 2024 **BOOK DAY**

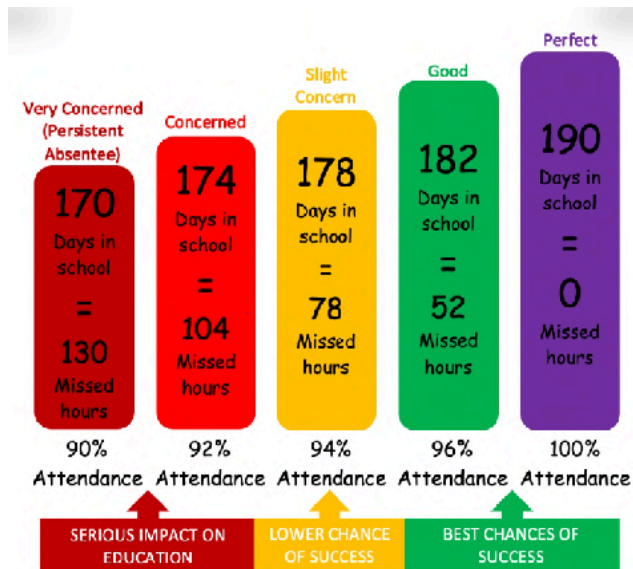

Think Harry Potter

Easy peasy! Buy/make/borrow a black cloak. Add a zig zag scarf and glasses for Harry, a stuffed cat to hold for Hermione, a ginger bag for Ron and then in a jiffy you are a wizard!

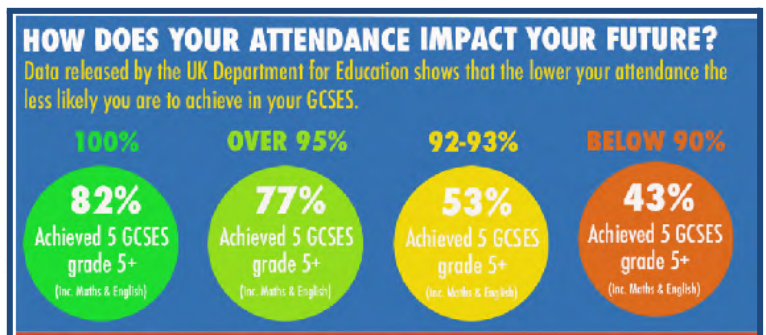

Friday 8th March

ATTENDANCE

We all know that good attendance at school is so important in helping students achieve good GCSE grades. The more time a student has off school, the harder they will find their GCSE exams.

The images shown here, indicate how low attendance has a direct negative impact on achievement.

What parents/carers must do:

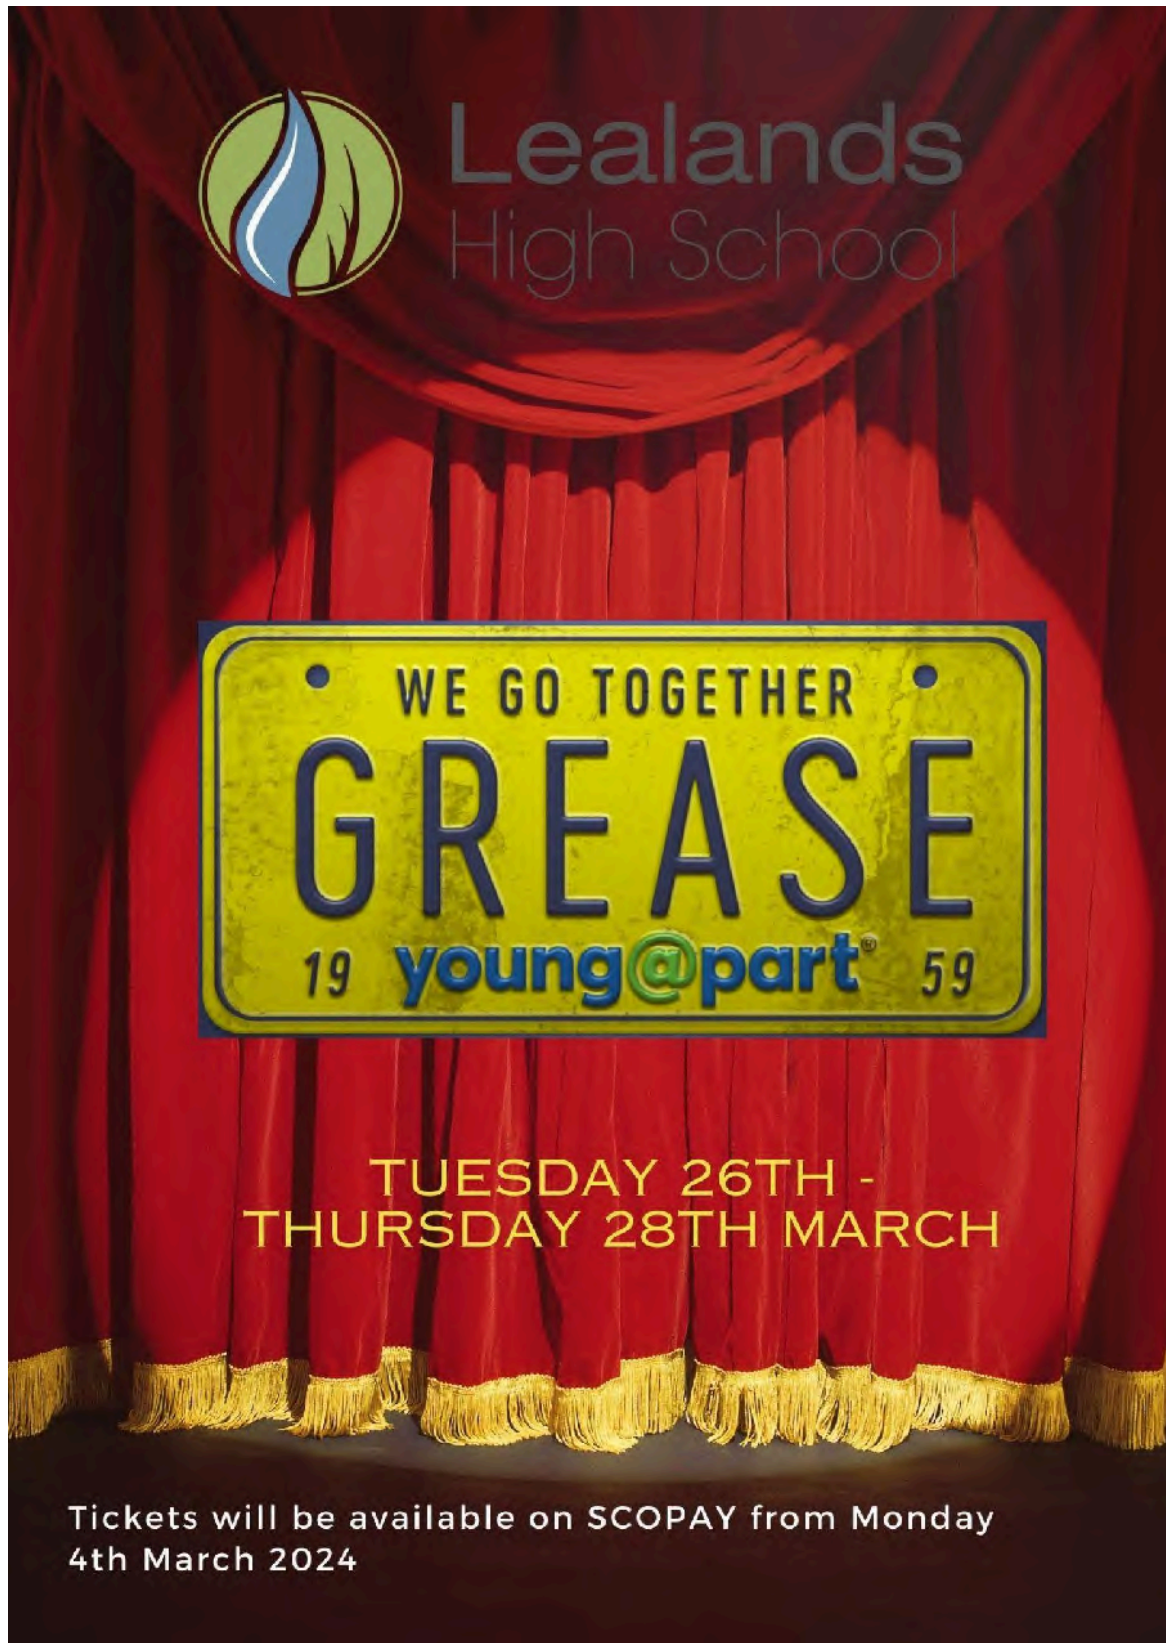

- Try to telephone the school before 8.30am each day of your child's absence.
- Tell the school in advance of any medical appointments and bring in appointment cards/letters.
- If you are not sure whether your child is well enough to attend school, send them in anyway as they often perk up on arrival.
- Have a backup plan for if your child misses transport, call on a family member, neighbour or friend.
- If you and your child are experiencing difficulties with school attendance then talk to us as a first step so we can help!

What WE will do:

- Check your child's attendance every day.
- Phone home to discuss your child's attendance with you.
- Invite you into school for attendance meetings if we are concerned.
- If we cannot establish a reason for absence, then we may make a welfare home visit.

ARTIST IN RESIDENCE UPDATE

Tuesday 3-4pm

Art club is continuing to be very popular with sessions filled with a range of students from year 7 to year 10!

We have had an array of techniques used from painting to 3D modelling to fashion design! So come along and get creating!

It's Art Competition Time!

Competition 1

The Step Forward Luton campaign are looking for people to create artwork to help towards the rebranding of the town through a **Creative competition.**

The idea behind the project is to invite people to create artwork and poetry about Luton promoting and celebrating what is unique about the town.

Ways you can do this are:

- Drawings
- Paintings
- Sculpture
- Acting
- Ceramics
- Filmmaking or filming some of the artwork and performances
- Poetry, Invite people to make poems of Luton and their experiences

For more information see [Mrs Ward-Lindsay](#)

Competition 2

See Mrs. Ward-Lindsay for more information on what and how you can enter and prize details!

Competition Theme: **Everyday Heroes**

Heroes don't have to wear capes or have superpowers. Every day our lives are enhanced by small acts of heroism — and our competitions this year explore those real human stories; the stories of **everyday heroes**. Those real life, everyday experiences that remind us how lucky we are to have these good people in our worlds.

You don't have to reveal the name of your hero, and your work doesn't have to be about someone you know. It could be your best friend who makes your dark days that little bit brighter; it could be a stranger whose good deed turned your day around; or it could even be a well-known public figure whose actions have impacted your life — but whoever you choose, your piece of poetry or art must explore an experience that, in your world, is heroic.

You can submit a poem, or a piece of artwork; there is no age restriction and there is no cost to enter.

DEADLINE FOR ENTRIES: Thursday 29th February 2024

Mindful Art

We have had an exciting few weeks since the last newsletter. Some of our students have finished their Mindful Art sessions having made some wonderful work, whilst new group and one to one sessions have started for other students providing a space for some much needed calm and focus in a quiet and creative space.

Artsmark
AWARDED BY ARTS COUNCIL ENGLAND

Excellence

Responsibility

Respect

Lealands has achieved Artsmark Silver Award!

After two years of fantastic work by our staff, students and community, we are so proud to announce that we have been awarded 'Artsmark Silver'. This is the only creative quality standard for schools and is accredited by the Arts Council England. Artsmark provide a framework for schools to embed creativity across the whole curriculum and bring learning to life through arts, culture and creativity.

Highlights from the Arts Council report about the Arts at Lealands:

'Significant progress has been made, with the appointment of an Artist in Residence marking the value that is placed in the role of the arts within your community.'

'Your 'Lealands Journey' now entitles all students to a broad range of extra curricular activities and trips and is particularly valuable to your more vulnerable students.'

You have audited the diversity within your Art and Design curriculum, increasing students' exposure to artists that reflect and celebrate a range of backgrounds.'

'It is great that the Arts Award has been implemented for students who have not chosen a GCSE arts subject.'

You have established a link with The Culture Trust Luton and visits to the Hat Factory give students a valuable and authentic insight into creative industry at work.'
