## **YEAR 9 LESSON 2:** **CONDOM NEGOTIATION**

**Do Now:**

Complete the quiz on the handout on your desk

# YEAR 9 LESSON 2

## CONDOM NEGOTIATION

### Learning outcomes:

- I can describe or demonstrate how to use a condom safely and I know where and how to get them
- I feel confident I can positively negotiate condom use within a relationship

## QUIZ TIME!

1. A woman will not get pregnant if she has sex standing up.
2. Condoms make sex less pleasurable.
3. A woman will not get pregnant if she washes her vagina after sex.
4. The withdrawal method (withdrawing the penis before ejaculation) is a reliable method of preventing a pregnancy.
5. A woman can get pregnant during her period.
6. You cannot get an STI if your partner is a virgin.
7. Using 2 condoms at once provides extra protection.
8. STI's are transmitted during oral sex.

## QUIZ TIME!

1. A woman will not get pregnant if she has sex standing up. **False**
2. Condoms make sex less pleasurable. **False**
3. A woman will not get pregnant if she washes her vagina after sex. **False**
4. The withdrawal method (withdrawing the penis before ejaculation) is a reliable method of preventing a pregnancy. **False**
5. A woman can get pregnant during her period. **True**
6. You cannot get an STI if your partner is a virgin. **False**
7. Using 2 condoms at once provides extra protection. **False**
8. STI's are transmitted during oral sex. **True**

# CONDOM DEMONSTRATION

# REMIND ME

# CONDOM NEGOTIATION

How could a person respond to these statements?

I'm on the pill,  
you don't need  
a condom.

Putting on a  
condom  
interrupts  
everything.

It doesn't feel  
as good and I  
can't stay hard  
with a condom.

I'm allergic to  
condoms.

I love you but I  
guess you don't  
really love and  
trust me.

Condoms don't  
even work half  
the time so  
there's no point  
using them.

# CONTRACEPTION QUIZ: REVISITED

**What do you know now that you didn't at the start of the lesson?**

- **Do you need to make any changes to your initial ideas?**
- **Can you add any further detail?**

Consider the question you wrote at the start of the lesson:

Has it been answered?
