# The 2023 “Masterclasses” worked well, similar in 2024

## Masterclasses

Imagine you have your Maths exam in the morning (9:00-10:30am)

Then in the afternoon you have your GCSE PE exam (1:30-2:30pm)

Who would be the most useful person to speak to ahead of your PE exam?

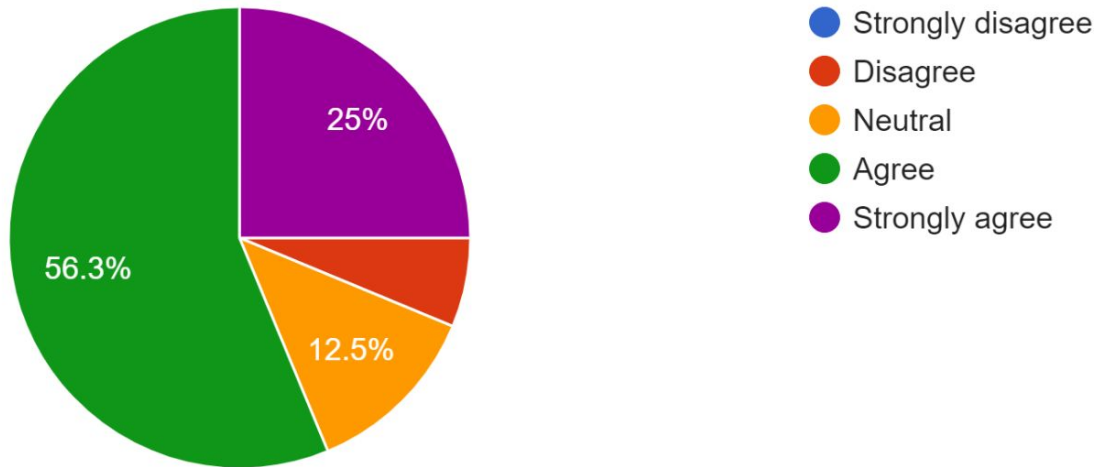

In 2023 we supported students ahead of their exams by ensuring staff were available.

Students found this very helpful and they thought it was the correct approach.

We will do the same in 2024.

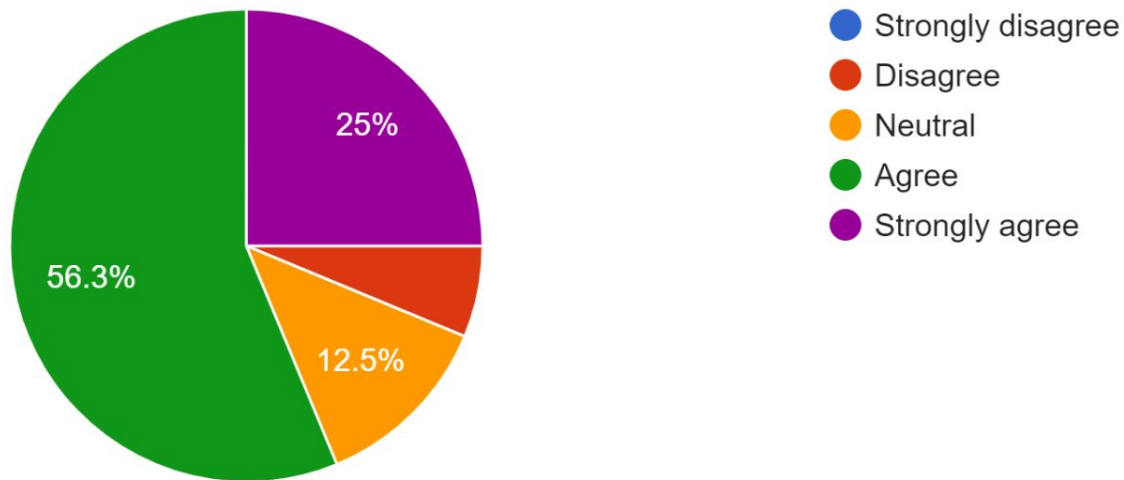

# The 2023 “Masterclasses” worked well, similar in 2024

The 2023 Masterclass model worked better than the 2022 lessons for which students still had exams.

# The 2023 “Masterclasses” worked well, similar in 2024

We should run the 2024 exam season in the same or very similar way as 2023.
