

Subject	Aspire Curriculum
Director of subject	Mr Hall
Subject Intent	<p>The aims of the Aspire Curriculum is to support students with individual needs to develop their personal skills in preparation for Post 16 Education and adulthood. Students will learn about leadership skills and qualities and will demonstrate these skills and techniques whilst learning to communicate effectively with their peers.</p> <p>The Aspire curriculum offers students the opportunity to study Leadership skills. Careers and Work Experience skills and the Duke of Edinburgh Bronze Award. This curriculum gives students the confidence to interact with the wider world, leading to fulfilled and positive life experiences. The curriculum encourages students to ask questions, develop critical thinking skills, and layer a deeper understanding of their personal skills as the courses navigate through the curriculum.</p>
