

Subject	Computing
Director of subject	Ms H Ahmed
Subject Intent	<p>Our KS3 curriculum provides new experiences in computing. Regardless of their prior knowledge.</p> <p>We aim to build a love for the subject through making students understand that technology is limitless. Students learn awareness about the dangers associated with technology and computers and how the measures that they can take to avoid dangers.</p> <p>We introduce our students to people that have made an impact in the world of technology to inspire and motivate them.</p> <p>Students build on their digital literacy,</p>
Years of study	Year 7 and Year 8 Year 9 Options
Exam board	OCR
