<b>Director of subject</b>	Miss Griffiths
<b>Subject Intent</b>	<p>Our prime objective within Health and Social Care at Lealands is to provide learners with essential knowledge, transferable skills and tools to improve their learning in other subjects with the aim of enhancing their employability when they leave education, contributing to both their personal development and future economic well-being.</p> <p>Cambridge Nationals in Health and Social Care will equip learners with sound specialist knowledge and skills for everyday use. They will also challenge all learners, by introducing them to demanding material and skills; encouraging independence and creativity; providing tasks that engage with the most taxing aspects of the National Curriculum (including Values of Care, the current legislation requirements and the importance of softer skills such as communication skills to ensure individuals right to independence and dignity).</p>
