# Welcome to Lealands High School

---

I am delighted that you will be joining our highly successful school and we are looking forward to welcoming you to Lealands. We hope that you are looking forward to five rewarding years with us. We have extremely high expectations of students at Lealands and they will be

expected to work hard during their time at the school both in class and at home. Students are encouraged to take full advantage of the many opportunities given including the extensive extra-curricular activities on offer from September.

We hope that parents/carers and students will join us in creating the partnership between home and school, which is essential for successful education. Above all, we hope that your time at Lealands is an enjoyable, rewarding and fulfilling experience.

If there are any problems or questions, please talk to the Tutor, Pastoral Support Manager, Head of Year or Director of Subject. They will do their best to help you.

I look forward to meeting you on many occasions in the future and please do not hesitate to contact me should you require any further help or information.

**Mr J Burridge**  
*Headteacher*

## Compulsory

- Lealands Polo (unisex or girls)
- Lealands Shorts/Skort
- Lealands Training Pants

**Optional (one of the optional items will need to be purchased for outdoor lessons, though this is a student/parental choice)**

- Lealands Fleece ¼ zip
- Lealands Sweatshirt
- Lealands Rain Jacket

**Only items displaying the Lealands Logo will be acceptable for PE lessons.**

Students will also need appropriate footwear - outdoor trainers or boots (only traditional moulded studs can be used on the astro turf – blades and screw in studs cannot be used) and indoor trainers (preferably white). All laces must be properly tied up for lessons.

- If students have long hair they must tie it back.
- For swimming lessons, students will need a towel and a **dark blue or black swimming costume/trunks**. We also advise students to bring in swimming goggles and if they have long hair they must have a swimming cap.
- We advise the wearing of mouth guards for certain activities such as football.
- No jewellery to be worn during PE lessons.

**Students should have the correct PE kit for lessons, including those excused for medical reasons.** These students can coach, referee or help other students analyse and evaluate their work, which is a valuable part of the National Curriculum in PE. It will also make sure students do not get their uniform wet or muddy when outside. Students who do not have the correct kit must have a note from their parent or Pastoral Support Manager.

**Students failing to follow the above will be given a detention or appropriate sanction.**

## Equipment needed for school

It is extremely important that students arrive in school ready and prepared for the school day. This means that they need to bring the appropriate equipment into school for learning.

Students will need a strong, suitable bag to carry books and equipment around the school, and to and from home. They must make sure that they have with them all their books, equipment and extended learning for the morning and afternoon lessons.

It is an expectation for every student in Year 7 to have a Chromebook when they start school in September. The school's one to one device partners are Edde (Portal and device management) and Haptic (Device procurement). We are extremely pleased to have these two well respected companies supporting us on what will be an exciting development in the Teaching and Learning at Lealands High School.

Students will be told what they need for each subject but they should make sure that they have the following with them every day:

- Fully charged Chromebook
- Writing equipment: black pens, pencils, etc.
- Ruler and a rubber
- Yellow highlighter
- Calculator (preferred Casio Fx-83GT PLUS)
- Coloured pencils and a green pen.
- Whiteboard Marker

## Lost Property

We hope that students do not lose any of their possessions. It is helpful if you mark their name on all their clothing and belongings. Students should try not to leave things lying around in unsupervised rooms. If students do lose something, they should report it to the subject teacher and tutor as soon as possible.

If a student should find anyone else's property, they must hand it in to the Medical Room or a member of staff immediately.

We cannot accept liability for the loss of any property. Large sums of money and valuable items should not be brought to school. If for any reason a student has to bring something valuable to school, they must hand it to their tutor for safekeeping.

**Mobile phones, headphones and items such as smartwatches, MP3 players, IPODs, etc., are not allowed in school. If students are found using such items, or they are seen, they will be confiscated by staff. The item will be returned to the student at the end of the school day. A note will be made on the student's Epraise record.**

## Lunchtime

During the lunch break, students may use their allocated eating area which may be the Dining Area, School Atrium or bring a packed lunch. Students are not allowed home at lunchtime.

The social space offers a variety of foods at different prices at break and lunch time. Students will be told where and when to line up for their meal and will

be expected to show good manners in the social space. Menus are published on the school website and are alternated weekly.

The school runs a cashless system for all students who will use a swipe card or facial recognition system to pay for food and drinks. Parents add credit to the account using our online system. It is advisable that you do not put too much money on your child's account at one time.

If students choose to bring a packed lunch, they can eat at the inside allocated spaces or outside areas.

Available Daily: Assorted sandwiches, baguettes and rolls, assorted salad shaker pots, flatbreads, subs, a selection of dessert pots, fresh fruit compilations and assorted tray bakes. Allergy information available on request					

## Breakfast Provision

Research tells us that breakfast is the most important meal of the day. A good breakfast provides the nutrients that people need to start their day. Studies show that children who eat a good breakfast do better in school than children who do not.

Children who eat a good breakfast have better attendance and decreased hyperactivity. Children who don't eat breakfast tend to not perform as well, and also tend to have behaviour problems.

The Lealands' Breakfast Provision will provide a **FREE** nutritious meal for students eligible for Free School Meals who might otherwise not eat breakfast (up to the value of £1.60). A breakfast is available for all other students at a subsidised price.

The aims of Lealands' Breakfast Club are:

- to provide the energy and nutrition required by the mind and body for active learning
- to improve attendance, concentration and learning in the classroom
- to provide positive examples of healthy eating to create a foundation for lifelong healthy eating habits
- to enable children to socialise, listen and talk in a relaxed atmosphere

- encourage good social skills development with a focus on literacy

<b>Example Breakfast Menu - Available Daily</b>		
Toast & Jam	Danish Pastry	Fruit Wedges
Bagels	Yoghurt Bar	Cereal
Fruit Salad	Bacon Roll	Sausage in a roll
3 Breakfast Items (Bacon, Sausage, Hash Brown, Beans or Egg)		

### **Bicycles**

If students bring a bicycle to school they must follow the Lealands High School Cycling Protocols. Students should always lock their bicycle in the designated area provided and are responsible for its safety and security. At the end of the day, students on bicycles must walk their bicycles off the school site.

## Extended Learning

Students will be set extended learning tasks by their subject teachers which they should complete in their own time. Teachers will explain the requirements and the deadlines that students need to keep.

The majority of your child's extended learning tasks will be retrieval practice or self quizzing consolidating work completed in lessons.

Students should try to find a quiet room to complete the extended learning. They will almost certainly work better away from the television and other noisy distractions.

Students should set aside a regular time to complete extended learning each evening. Many people like to tackle their extended learning as soon as they get home from school, whereas others prefer to start later when they've had a rest.

If students find that the work set is too difficult or takes an unreasonable amount of time to complete, they should discuss the problem with the relevant subject teacher and tutor. Support for extended learning is available at our extended learning club on Tuesday, Wednesday and Thursday from 3.00pm to 4.00pm in the Learning Resource Centre.

A guide to the amount of time required for each subject is provided on the school website. For further information and support, please see the section on the school website.

## **Learning Resource Centre (LRC) for Study Support**

The LRC is open Monday to Friday (8.10am to 8.30am) before school and for students to read quietly or to complete extended learning.

Extended learning clubs are run by the Learning Support Assistants after school on Tuesday, Wednesday and Thursday from 3.00pm to 4.00pm in the LRC.

The LRC:

- provides a quiet environment for study
- provides access to books, electronic information and the media
- helps students to develop study skills and create a basis for lifelong learning
- complements, extends and enriches classroom learning
- encourages students to achieve success and thereby raise self-esteem

Students are encouraged to attend and make use of this facility to work with others and gain extra help with extended learning and coursework.

## **Extra Curricular Activities**

We would like all students to engage with a journey of extra curricular activities in their time at Lealands. Departments will promote activities in the student bulletin.

Extra curricular activities are able to:-

- Improve academic performance
- Enable students to explore interests and create broader perspectives
- Gain higher self esteem
- Social opportunities
- Essential life skills

We need as many pupils as possible engaging with a broad range of activities. We have considered the research and the context of our school and pupils and allocated activities that we would like to offer to our students as part of their Lealands Journey.'

## **Student Leaders**

Some students have applied, been interviewed and chosen as Student Leaders. They have responsibilities and duties around the school including being responsible for elements of Student Voice and can be identified by their purple ties. Student Leaders also help younger students during tutorial time and represent Lealands' students on formal occasions such as Presentation and Open Evenings. It is an honour and privilege to be chosen as a Student Leader.

## **Student Voice**

Student Voice is led and organised by the Senior Student Leadership Team (SSLT), alongside Mr Taplin, Head of Year 9. Each tutor group has a representative and they meet with members of the SSLT at least monthly. Agenda items are shared with the Student Voice representative and they are asked to discuss this during their tutor time and bring back ideas, opinions and suggestions to the SSLT.

In addition to Student Voice, there are several opportunities for students to be further involved in activities to shape the school community. Each tutor group has the opportunity to put forward a representative to share ideas to the SLT who take responsibility for anti-bullying, equality and diversity, charities, recycling and environment and well-being throughout the school. Subject departments have their own leaders, who support with extra-curricular initiatives for example: sports leaders and language leaders.

We are always looking for ways to improve our Student Voice and leadership opportunities in the school. Ideas and suggestions can be fed back to the SLT who work alongside the wider student body, to implement change and improvement. All such opportunities are advertised through tutor time, assemblies, lesson time and via notice boards.

All Year 7 tutor groups will have a member of the Student Leadership Team assigned to them, and they will visit them regularly in the first term of school to support and answer questions. They may also encourage you to get involved in some tutor time competitions and events. You can recognise our Student Leaders in Year 10 and Year

11 as they will be wearing the prestigious 'purple tie'. Their pictures, alongside the Senior Student Leadership Team, are on a prominent notice board by the doors to the Central Courtyard, so you can always check who they are. We encourage all of our students to get fully involved in improving our school community and we hope to see as many Year 7 students signed up and shaping the future of our school.

## **Rewards and Achievement**

At Lealands High School we are proud of the successes of our school and the individuals within the school and believe in celebrating and rewarding achievement and success.

Students can gain reward points (STEPS) in every lesson which can be spent on a choice of rewards through Epraise (our online platform - see below). They also receive badges and awards at certain thresholds.

Rewards assemblies take place each term where students may receive subject commendations and other rewards for excellent effort, attainment, attitudes and contributions.

There is a formal annual Presentation Evening for students demonstrating consistent excellence to which parents are invited. Rewards and celebrations are key for us in emphasising the positive and ensuring excellent behaviour and effort.

## Epraise

Epraise gives you the opportunity for live updates on how your child/children are getting on. Students are issued Striving Towards Excellence Points (STEPS) to celebrate their achievements and contributions. Demerits are issued when students fail to meet appropriate expectations. Epraise also gives details of home learning and your child's timetable. This is a free app which you can download or register online once your child/children join Lealands High School. As soon as you have an account set up, you can view how many STEP points your child/children have been awarded, register them for clubs and activities and see what intervention sessions may be available to them.

Rewards can be converted into prizes and your child can choose a reward from those available in the online Reward Shop. The Epraise app can be downloaded for free and is available for IOS and Android smartphones.

## Expectations of Students

**Lealands**

## Lealands High School Classroom Behaviour Ladder

- Positive behaviour for learning is rewarded and celebrated
- Disruptive behaviour is challenged and followed up with clear consequences

Stage	Behaviour	Consequences
1	<p><b>Disruption to learning</b> in the classroom</p>	<p><b>Formal Warning Given</b> – Teacher will record student name for:</p> <ul style="list-style-type: none"> <li>● Not listening in class</li> <li>● Failing to sit in the correct seat</li> <li>● Moving seat without permission</li> <li>● Low level disruption</li> <li>● Incorrect uniform</li> <li>● Eating/drinking in class outside agreed times</li> <li>● Failing to follow basic classroom expectations, standards or rules</li> <li>● Putting head on desk</li> </ul> <p>Teachers must make it clear to students that they have received their first formal warning.</p>
2	<p><b>Continued disruption to learning</b> as above, with no improvement of behaviour after the warning is given.</p> <p><b>*If the issue compromises student safety, they will not be returned to class and the issue will be escalated, parents will be contacted and the issue will be dealt with in a different way.</b></p>	<p><b>Teacher will ask the student to stand outside the room for a maximum of 5 minutes and will speak to the student about their behaviour and the clear expectations.</b></p> <ul style="list-style-type: none"> <li>● The teacher will speak with the student to address any issues/concerns. Classroom expectations clearly outlined before they enter the classroom again.*</li> <li>● The student’s name should be recorded by the teacher</li> <li>● A demerit will be issued by the teacher</li> </ul> <p>If the student displays a positive attitude then they are readmitted with no further action.</p>
3	<p><b>Student continues to significantly disrupt the learning of others or a one off significant incident occurs.</b></p> <p><b>*If the issue compromises student safety, they will not be returned to class and the issue will be escalated, parents will be contacted and the issue will be dealt with in a different way.</b></p>	<p><b>Support duty contacted by email</b></p> <ul style="list-style-type: none"> <li>● The student will be removed from the lesson and will remain away from the lesson for the remainder of the lesson in the appropriate reflection room.</li> <li>● Work will need to be provided by the teacher for the student to complete in the reflection room.</li> <li>● The classroom teacher sets a 30 minute detention for the end of the day. The teacher will visit the detention for a Restorative learning conversation.</li> <li>● A demerit will be issued by the teacher</li> <li>● There may also be the need for the Director of Subject to be involved in a Restorative Justice (RJ) conversation at this point.</li> </ul>
4	<p><b>A student becomes defiant or persistently refuses to follow instructions of support staff despite the procedures above.</b></p>	<ul style="list-style-type: none"> <li>● If a student demonstrates persistent defiance despite being given opportunities to comply by different members of staff, a decision will be made regarding further actions. This will include contacting parents, and may include internal or external exclusion.</li> </ul>

## Classroom Code of Conduct

Insistence on a good attitude to learning is extremely important in the school in order to ensure that all students make the most of their opportunities and succeed in their learning. If students follow the Student Classroom Code of Conduct and all the advice in this booklet, they should not get into trouble. If behaviour or effort are inappropriate then students should expect to receive an appropriate sanction. The school has a clear Classroom Code of Conduct which explains our expectations.

### Student Classroom Code of Conduct

1. Arrive on time for the lesson/line up.
2. Ensure that you are fully equipped for every lesson.
3. Follow the instructions given by the teacher, first time of asking.
4. Treat others in the classroom with respect, giving them the courtesy and consideration that you would want to receive from others.
5. Respect the rights of other students to learn and achieve their best.
6. Try your best to achieve during the lesson, completing work to the best of your ability.
7. Be proud of your successes in class and supportive of the successes of others.

*(Written by students, for students)*

***“Excellence, Responsibility, Respect”***

# Parental Communication & Engagement

---

At Lealands High School communication with parents and carers is a key priority. Effective and live communication ensures you are continually aware about activities, events and updates about your child.

## Communication

To communicate with you we use My Ed, which is a free to download app to send you:

- important messages and updates
- send your child's/children's reports – keeping you updated on their progress

In addition to receiving information from us, you can use the free app to inform us of your child's/children's absences. You can also check on your child's attendance records and timetable and access all of the school's key dates, news updates as well as access the Lealands High School website and social media accounts. All messages are sent via the app free of charge, enabling us to use our resources to support our students' education. If you so wish, you can download the app now. Once your child/children have joined Lealands in September, you will be able to access their information and receive messages.

# Connect With Us On Social Media

---

## Follow Lealands High School on Facebook, Twitter and Instagram.

Lealands' social media pages were introduced a few years ago and have successfully grown in followers over that period. They continue to be an excellent resource to engage with our community; sharing positive news stories, achievements, information, updates and photographs.

Our Facebook page can be found at [www.facebook.com/lealandshighschool](http://www.facebook.com/lealandshighschool), our Twitter and Instagram name is **@LealandsHigh**. Our PE Department also has a Twitter page **@LealandsPE** which is regularly used to post fixtures, results, curriculum information and extra-curricular activities.

We would encourage parents and students to 'Like' our Facebook page and 'Follow' us on Twitter and Instagram. We regularly use them as a tool for communication; sometimes sending urgent alerts at short notice such as school closures due to snow.

For our pages to continue to run successfully, we require the support of all users. We ask that the pages are not used to voice any concerns or grievances. If an occasion does arise during your child's time at Lealands where you wish to make a complaint, or raise a concern, you are advised to follow the school's complaints procedure which can be found on the 'School Policies' page of our website. We recommend that all parents and carers refrain from using our social networking sites to discuss sensitive issues about the school or its community.

Posts which are deemed to be unsuitable for our pages will be deleted, the perpetrators will be blocked and where necessary appropriate action will be taken.

We thank you for your continued support and hope you find our pages helpful and informative.
