Lealands High School

Uniform Policy (SWA)

September 2024

INTRODUCTION

Lealands High School policies are designed to support the school ethos, aims and vision. Lealands is a positive learning community which is fully inclusive to ensure equality of opportunity for all.

Our aims are outlined in our Home School Agreement.

Our aims:

Excellence in everything we do

- Everyone achieves success and makes excellent progress
- We all continually improve what we do and work hard
- We care about being the best we can be and getting the best out of those around us

Everyone has responsibility

- To prepare young people for life and a positive future
- To ensure that school is a safe place
- To help and support others to grow and succeed

Respect for all

- Everyone is valued for their contribution
- All are cared for and supported so that needs are met
- We recognise and celebrate the talents, gifts and uniqueness of every individual

In order to achieve these aims students, parents and the school need to work in partnership.

Our vision is to be:

*Everyone **achieves excellence**, demonstrates **respect** for all and takes **responsibility** for their own actions, while helping others to be successful.*

We strive to achieve this vision in all that we do and staff, students, parents, governors, other school stakeholders and partners are all an important part of making this happen.

Lealands High School Uniform Policy

School uniform plays a valuable role in contributing to the ethos of the school and sets an appropriate tone. It instils pride, supports positive behaviour and discipline and encourages identity with the school. Uniform can also be useful to protect children from social pressures to dress in a particular way. We expect all students to exhibit our value of excellence in their standard of uniform.

The Lealands School uniform ensures that all students feel a part of the school community and supports our value of excellence. Our uniform is cost effective with minimal standard items.

This uniform policy represents a reasonable requirement and pays regard to the: Sex Discrimination Act 1975, the Human Rights Act 1998, The Race Relations Amendment Act 2002 and the Equality Act 2010.

Compulsory PE Kit:

- Lealands training pants or joggers (wide leg)
- Outdoor Trainers with white socks
- Indoor Trainers (predominantly white) with laces tied

Only clothing with the Lealands logo will be acceptable for PE lessons.

All students should bring full PE kit to all PE lessons. If they are unable to participate for a medical reason, they should still bring PE kit to change into so that they can participate by coaching, analysing or evaluating the practical work of others. This will prevent students from getting uniform wet or muddy. In exceptional circumstances it is recognised that a student may not be able to change due to medical injury/reason. No jewellery is to be worn during PE lessons.

Where there is doubt about a particular item of uniform, a member of staff will seek advice from a Pastoral Support Manager, Head of Year or senior member of staff. This can sometimes occur in the case of shoes, haircuts, trousers or skirts. The final

judgement in these cases will be made by the Deputy Headteacher and communicated to staff.

There are occasionally circumstances where a student will be allowed to wear an item of non-uniform for a short period of time (one day for emergencies and never more than 5 days). Lealands High School reserves the right to challenge any student perceived not to be following the uniform policy and parents will be contacted. Where this is the case the student will have a dated note signed by the Pastoral Support Manager, Head of Year or a senior member of staff. In all cases where uniform cannot be immediately corrected, parents will be contacted. Uniform will be constantly monitored. Any additions to unacceptable wear/fashion trends will be updated on the school website. Any deviation from the uniform policy due to exceptional circumstances must be supported with a parental note stating the reason and a date when the issue will be rectified. Parents should discuss this with their child's Head of Year or Pastoral Support Manager before making any adaptations for exceptional circumstances. Sanctions will be issued per the behaviour policy where this is not the case. Any student refusing to follow the uniform policy will be isolated and work separately from other students until the issue is rectified with the support of parents.
