

# Design your own Trainer

Design your own unique trainer. You can use the outline as a template to start you off or use a plain piece of A4

**Success Criteria:**  
Draw your trainer so that people can understand the theme or idea behind it.

Add small details like patterns or textures to make your drawing interesting.

Choose colors that go together nicely and match your theme.

Make sure your drawing looks realistic.

Draw neatly with clean lines and good presentation.

Make your drawing reflect your own personality and creativity.

Try to be innovative and give your trainer cool features
