

National Apprenticeship Week: 8th -14th February Activity Timetable

National Apprenticeship Week is taking place from Monday 8th to Sunday 14th February with the aim of raising awareness of apprenticeships.

This year there are so many virtual activities for students, parents and teachers to get involved to find out more about apprenticeships and discover the variety of employers that offer opportunities in wide range of careers.

There are so many opportunities available to hear from apprentices, employers, training providers and universities which we have captured as many as we can in this timetable.

This is your chance to explore the varying levels of qualifications and the industries you can work in. Be curious. Even if you know for sure that college or university is the path for you, just take a look. You never know what you may discover:

<https://www.nationalapprenticeshipweek.co.uk/>

You can also expand your knowledge on apprenticeship, watch videos from the A-Z of apprenticeships:

<https://amazingapprenticeships.com/resource/naw2021-a-z-film-of-apprentices/>

Or take a quiz to see how much you know:

<https://amazingapprenticeships.com/resource/naw2021-which-apprenticeship-am-i-quiz/>

National Apprenticeship Week National and Local Activity
