

My Ed - Communication App

My Ed is the free parent app that gives you a multitude of communication and information features to stay in touch with what is going on at school. The app gives you direct access to your child's attendance, timetable, absence records, achievements and much, much more. You will also see that we update and change the information in the app as the school year moves along. Go to www.myedschoolapp.com to see a short video about the app.

We are able to send you messages directly to the My Ed app relating to important information about your child's education and to remind you of events that are taking place at school.

You will receive a notification* if we send you a message and there is no charge for the messages you send to us. **Please ensure you have your notifications turned on on your mobile device so you are notified as soon as a message comes through.*
