Cycling Code of Conduct

Lealands High School recognises the many positive benefits of pupils cycling to and from school. We, therefore, look to encourage this form of travel behaviour in as many ways as possible.

Some of the benefits of cycling to school include:

- improving health through physical activity;
- establishing positive active travel behaviour;
- promoting independence and improving safety awareness;
- reducing congestion, noise and pollution in the community;
- reducing environmental impact of the journey to school.

To encourage as many pupils to cycle to school as we can, the school will:

- actively promote cycling as a positive way of travelling;
- celebrate the achievements of those who choose to cycle to school;
- provide cycle storage on the school site;
- provide lockers for the storage of equipment such as helmets.

To make cycling to and from school a positive experience for everybody concerned, we expect our pupils to:

- ride sensibly and safely and to follow the Highway Code;
- take responsibility for checking that their bicycle is roadworthy and regularly maintained;
- behave in a manner which shows them and the school in the best possible light and to consider the needs of others when cycling;
- we strongly advise that all students wear a cycle helmet;
- ensure they can be seen by other road users by using bicycle lights and wearing high-visibility clothing, as appropriate
- walk their cycle to and from the front gates of the school;
- lock their cycle in the areas provided for each year group.

For the well-being of our pupils, we expect parents and carers to:

- encourage their child to take up opportunities to develop their competence and confidence in cycling;
- provide their child with the appropriate safety equipment such as high-visibility clothing, bicycle lights and cycle helmet as appropriate;
- ensure that the cycles ridden to school are roadworthy and regularly maintained.

The decision as to whether a child is competent to cycle to and from school safely rests with the parent/carer and the school has no liability for any consequences of that decision. Parents are advised to take out appropriate insurance cover as the school's insurance does not cover loss or damage to bicycles.

Students who do not follow this code will have their permission to bring a cycle onto the school site revoked and further action may be taken.
